If you are unable to complete this course, you must withdraw from the class by the date listed on your Registration Summary Receipt. It is your responsibility to be aware of the drop date. Withdrawing from this course is a formal procedure which you must initiate. The instructor or the instructional associate cannot do it for you. You may do this in admissions or counseling. If you stop attending and do not withdraw, you will receive a performance grade, usually an “F”. Students sometimes drop courses when help is available that would enable them to continue. If you feel the need to withdraw, please discuss your plans with the instructor first.

**Stop Before You Drop**
For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges.
