ACADEMIC DISHONESTY:

All course work in this class is undertaken with the understanding that academic honesty is the only acceptable behavior at Brookhaven. Further, it is understood that the instructor sets the standards of academic honesty in the classroom, determines when those standards have been violated, and determines the consequences of that behavior by the student. Practices such as cheating, collusion, unauthorized collaboration, fabrication, or plagiarism will not be tolerated.

NOTIFICATION OF ABSENCE DUE TO RELIGIOUS HOLY DAY(S):

Students desiring to observe a religious holiday which will result in a class absence must notify the instructor in writing no later than the 15th calendar day after the start of the semester. The student is required to complete any work missed with a reasonable period of time.

STOP BEFORE YOU DROP

For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated six non-exempt drops, you cannot drop any other courses with a “W.” Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges.
