Each student is required to purchase a permanent WileyPlus Access Code. **A student will fail the course automatically if he or she does not purchase a permanent access code regardless of his or her average.** The purchase of a permanent access code does not guarantee a passing grade. The assignments are individual assignments. The answers to the assignments will be released after the due date. Late assignments are not accepted. Any student who fails to submit any Wiley Plus Homework Assignments will receive an automatic ‘0’ for that particular homework. (Note Chapters 6 and 18 are counted as one chapter)
Financial Accounting and Reporting (FAR) Gleim Study Units: Gleim CPA FAR is an additional cost. The access code is required to be purchased via the URL on ecampus.dcccd.edu. The failure to purchase the access code via the URL will result in an automatic ‘F’ in the course regardless of your overall average. The access code will be valid for approximately 18 months. The access code will be utilized in ACNT 1373, ACNT 1374 and any other financial accounting course such as ACNT 2337, ACNT 2343, etc. The deadlines are enforced and late assignments are not accepted. <td><strong>Stop Before You Drop</strong></td>
</tr>
<tr>
<td>6Drop For students who enrolled in college level courses for the first time in the Fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career, unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W.” Therefore, please exercise caution when dropping courses in any Texas Public Institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: <a href="https://econnect.dcccd.edu/eConnect/droppingfacts.html">https://econnect.dcccd.edu/eConnect/droppingfacts.html</a></td>
</tr>
<tr>
<td><strong>Withdraw Policy</strong></td>
</tr>
<tr>
<td>If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by the official drop date for this course (see Course Drop Date mentioned earlier in this syllabus). Failure to do so will result in your receiving a performance grade, usually an “F.” If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (Withdraw) in each class dropped.</td>
</tr>
<tr>
<td><strong>Repeating a Course</strong></td>
</tr>
<tr>
<td>Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class may not be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 semester. More information is available at: <a href="http://www.dcccd.edu/pc/cost/3rdcrseattmpt/Pages/default.aspx">http://www.dcccd.edu/pc/cost/3rdcrseattmpt/Pages/default.aspx</a></td>
</tr>
<tr>
<td><strong>Financial Aid</strong></td>
</tr>
<tr>
<td>Financial Aid will not be granted to students who have been certified as not attending by the certification date. In lecture classes, students must attend class prior to the certification date. Online students should follow the certification procedures as noted within the class syllabus. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses. Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy. If you are receiving financial aid grants or loans, you must begin attendance in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.</td>
