Final Presentation (Critique) of Semester’s Work: At the close of the semester you will be required to submit a selection of your semester’s work. The work is not considered finished until you have submitted it in this final form. Listening carefully during critiques and taking note of the instructor’s suggestions will provide you with ideas for each assignment’s final completion. The final portfolio should be submitted in a visually attractive manner and annotated to reference the refinements and corrections you have made to the work. If work was not turned in on time originally, resulting in a zero, it may now be turned in as part of the portfolio grade. See Appendix B.

See a separate sheet

**Critiques**
There will be two group critiques throughout the semester. Each critique is worth 30 points. Make sure to listen carefully during critiques and taking notes of the instructor’s suggestions will provide you with ideas for each assignment’s final completion. You are encouraged to rework on your assignments after each critique to turn in for mid-term or final portfolio as completed drawings. Critique date will be announced during the class. There will be NO make up for the missed critiques. You will be graded based on following criteria:
- Have all the assigned drawings ready to participate.
- Active, thoughtful oral participation

**Midterm and Final portfolio**
You are expected to turn in 6 finished drawings (strongest 6 drawings you have done up to the point) of your choice each for midterm and final portfolio. Unfinished drawing will NOT receive higher than C letter grade. It is essential to finish each drawing for midterm and final.

**Note:**
- All late work for midterm portfolio will receive an automatic deduction of one letter grade. Course work will not be accepted more than five (5) calendar days after the original due date. Late work will NOT be accepted for final portfolio.
- Each drawing for both midterm and final portfolio needs to be started in the class period. You will receive zero for drawing which instructor has not seen you execute (part of it) during class.
- Students are expected to attend class. Instructor will NOT repeat work and class information that is missed due to unexcused absence or tardy. It is student’s responsibility to get missed information from classmates.

Expectations: Much of class time will be dedicated to the execution of the assigned projects. It is essential that you attend class on time and fully. It is during studio time that you will be able to receive assistance from the instructor, that the instructor is able to see your growth, and that you can interact with other visual artists. However, you may find it necessary to work outside of class to finish work on time. It is imperative that you come to class prepared to work. This means keeping up with the required assignments and having supplies ready for class.

Late Assignment Policy: Assignments are not accepted late, except with the permission of the instructor.

Music: If you prefer to listen to music during class, bring your own personal listening device with earphones.

Breaks: Except when the structure of the class necessitates structured breaks, students are free to take short breaks as appropriate.

Mobile phones: Please take all phone calls outside the studio.

Continuing Education Students: Requirements and expectations are the same for Continuing Education students as for Credit students.

WEOTA is our NLC art club. All students enrolled in art classes and those others who are interested in art are considered members. Meetings are held during the fall and spring semesters.

Annual Portfolio Review is held at the end of the fall semester for those art students who wish to have their work rated by the faculty and juried for competitions and scholarships. Work is returned at the beginning of spring semester.

Annual Student Spring Exhibition is held at the end of the spring semester. All art students are eligible to enter their work. An outside juror makes award selections.

Storage of Student Art Materials and Supplies:

- Lockers (located in the J Hall) are provided for art students on a first-come basis. Students are expected to share a locker and provide their own locks. Each locker should be labeled with ELECTRICAL tape with this information: Name, Teacher Name, and Semester/Year. If lockers are not labeled correctly, the locks will be cut and the contents removed.
- Storage for portfolios and paintings is provided in J201. The room is used by many classes so this storage is unsecured.

Studio Clean Up: Students are expected to clean up after themselves at the end of each class. Easels should be wiped down to remove charcoal, pastel, or paint; and the easels should be returned to a circular configuration in the room without blocking sinks or storage areas. Painting students should wipe up any paint from the sinks.

Lost and Found: See the police, C204.

Degrees and Certificates:

- Associate In Arts Degree With An Emphasis In Art
- Associate Degree of Applied Science in Computer Graphics
- Computer Graphics Certificate
- Computer Graphics Specialist Certificate (Print, Web, or Animation)

G301 Art Lab Policies
The G301 Studio Lab is restricted to use by only currently enrolled students in Painting, Drawing, and Design Classes who are attending art classes on a regular basis and are in good standing in the classes.

The G301 Studio Lab is available to approved art students to use for required classwork during posted Open Lab hours.

The following rules and regulations must be followed at all times:

1. The "storage room" inside G301 is not to be used by students as a primary location for painting or drawing. It is predominantly used for storage of student work, supplies, and the Art-O-Graph. Painting racks, slide viewing area, supplies, and the Art-O-Graph must be accessible at all times.
2. Student paintings (class work for current semester only) are to be stored in the provided painting racks.
3. Student drawings are to be stored in class assigned shelves or cabinets.
4. Students must work within sizes that will fit into the storage racks and shelves available in this lab. Paintings must not exceed 62" x 72".
5. Student supplies should be stored in assigned areas. Materials left out will be disposed of. (Students are encouraged to store their personal materials and supplies in the art lockers on a first-come, first-served basis. Regulations concerning lockers are posted in the locker area.)
6. At the end of the semester, students must remove all personal items and artwork from the lab. NLC will not be responsible for work after the close of the semester unless arrangements have been made with the instructor and the G301 lab coordinator.
7. Students using the facilities outside of class time must leave the work areas clean and be sure all personal work and supplies are stored away as stated above.
8. Students using the lab may not move or remove anyone else's paintings, supplies, etc.; nor will they rearrange the lab or storage room in any way.
9. All students working independently in the lab must work with the guidelines of the course of which they are enrolled (see class syllabus) and follow all art Lab (G301) policies.
10. Students must follow instructions of the Open Lab assistant concerning the use of the room, storage of materials, and clean-up.

Students who violate these lab rules and regulations will be prohibited from further use of the G301 art lab other than while attending regularly scheduled classes.
Institutional Policies

The Student Code of Conduct prohibits academic dishonesty and prescribes penalties for violations. According to this code, which is printed in the college catalog, "academic dishonesty", includes (but is not limited to) cheating, fabrication, facilitating academic dishonesty, plagiarism, and collusion".

Academic dishonesty may result in the following sanctions, including, but not limited to:

1. A grade of zero or a lowered grade on the assignment or course.
2. A reprimand.
3. Suspension from the college.

As an artist it is considered plagiarism to copy images and ideas from published or other sources without the express permission of the artist or photographer. This includes copying from magazines, photocopying from printed materials and downloading images from the internet to use in an art work.

Notification Of Absence Due To Religious Holy Day(S)

Students who will be absent from class for the observance of a religious holiday must notify the instructor in advance. Please refer to the Student Obligations section of the college catalog for more explanation. You are required to complete any assignments or take any examinations missed as a result of the absence within the time frame specified by your instructor.

In accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, any student who feels that he or she may need any special assistance or accommodation because of an impairment or disabling condition should contact the ADA/ACCESS Office at (972) 273-3165 or visit Room A-430 at North Lake College. It is the policy of NLC to provide reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to contact the ADA/ACCESS Office.

Drop Policy

If you are unable to complete this course, you must officially withdraw by April 16, 2015. Withdrawing is a formal procedure which you must initiate; your instructor cannot do it for you.

All Dallas County Community Colleges charge a higher tuition rate to students registering the third time for a course. This rule applies to the majority of credit and Continuing Education / Workforce Training courses. Developmental Studies and some other courses are not charged a higher tuition rate. Third attempts include courses taken at any DCCCD college since the fall 2002 semester. For further information, go online to:

http://www.DCCCD.edu/thirdcourseattempt

G301 Safe Studio Practices:

- Explanations and descriptions of possible hazardous materials are found in a binder marked "MSDS" in the yellow flammable closet in G301.

Financial Aid Statement
Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate are also subject to this policy.
To apply for financial aid in the DCCCD, students must complete FAFSA (Free Application for Federal Student Aid) on the web at http://www.fafsa.ed.gov.

Counseling Services
Counseling services for personal issues are provided to all students currently enrolled at North Lake College. These services are provided by licensed professionals who are bound by confidentiality (within ethical parameters) at no charge. With the assistance of a counselor, students are able to identify, understand, resolve issues and develop appropriate skills. To make an appointment call 972-273-3333 or visit A 430.

Stop Before You Drop
For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop.
You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: https://www1.dcccd.edu/coursedrops

Writing Center (A309)
The Writing Center supports and supplements classroom instruction by providing focused, individualized writing instruction in response to the specific needs of the student. Its services are available to all North Lake students, not just those enrolled in English classes. The tutors are skilled writing specialists who can help students clarify writing tasks, understand instructors' requirements, develop and organize papers, explore revision options, detect grammar and punctuation errors, and properly use and document sources. Rather than merely editing or “fixing” students' papers, the Writing Center staff focuses on helping students develop and improve their writing skills.
Located in Room A309, the Writing Center is open 8:00 AM to 9:30 PM Monday through Thursday and 8:00 AM to 5:00 PM on Friday. Saturday hours are 9:00 AM to 2:00 PM during fall and spring semesters. Hours will vary during other sessions. Students who have scheduled an appointment in advance will have a tutor available to work with them at their scheduled time. Walk-ins are welcome, but they may have to wait for an opening or make an appointment for a later time, perhaps a later day. To schedule an appointment, come by the Writing Center, call 972-273-3089, or email nlcwrittingcenter@dcccd.edu.
