Course Outline

See Appendix A
**DISCIPLINE/COURSE/DEPARTMENT POLICIES**

**ATTENDANCE**

Attendance is important and required in this class. In some cases the Lab portion of this class may be made up at alternative times with arrangements and approval of the instructor. The student is expected to complete each lab assignment using either their own computer or the computers at North Lake College. To aid in record keeping: applications for excused absences should be made in writing preferably in advance and with documentation.

- **For every unexcused absence after the second**, the student’s grade will drop 3%.
- **Three tardies will be counted as one absence.**
- **Leaving early w/o permission is an absence.**

Students are still responsible for all in-class and out-of-class assignments regardless of the reason for the absence. It is possible to make-up 1-3 absences by creating extra projects or by attending open lab times (with lab attendants signature). Discuss these options with your instructor first.

**DUE DATES AND LATE WORK**

Due Dates are stated in the class calendar. Any variations must be discussed with your instructor.

**All late work is penalized ten points for every day past the due date, including weekends and holidays.**

Late work will not be accepted after one week past its due date. Exceptions may be granted by the instructor for extraordinary circumstances on an individual basis. Not having a book and/or software and/or a computer is not an acceptable excuse for late work!

**TURNING IN ASSIGNMENTS**

Studio assignments will be turned in to instructor in class. Digital projects will be turned in to the assigned folder on the MacLab (nlceduart) server. Your instructor will provide you with a username and password to access the server.

---

**CLASSROOM POLICIES**

- **Music:** If you would like to listen to music during class, bring your own personal listening device with earphones.
- **Breaks:** Except when the structure of the class necessitates structured breaks, students are free to take short breaks as appropriate.
- **Continuing Education Students:** Requirements and expectations are the same for Continuing Education students as for Credit students.
- **WEOTA is our NLC art club.** All students enrolled in art classes and those others who are interested in art are considered members. Meetings are held during the fall and spring semesters.
- **Annual Portfolio Review** is held at the end of the fall semester for those art students who wish to have their work rated by the faculty and juried for competitions and scholarships. Work is returned at the beginning of spring semester.
- **Annual Student Spring Exhibition** is held at the end of the spring semester. All art students are eligible to enter their work. An outside juror makes award selections.
- **Lost and Found:** Ask your instructor or an instructional associate to check the classroom lost and found. If necessary, see the police, C204.
- **Degrees and Certificates:**
  - Computer Graphics Degree (AAS)
  - Computer Graphics Certificate
  - Computer Graphics Specialist Certificate
- **Storage of Student Art Materials and Supplies:**
  - Lockers (located in the J Hall) are provided for art students on a first-come basis. Students are expected to share a locker and provide their own locks. Each locker should be labeled with ELECTRICAL tape with this information: Name, Teacher Name, and Semester/Year. If lockers are not labeled correctly, the locks will be cut and the contents removed.
  - Storage for portfolios and paintings is provided in G301. The room is used by many classes so this storage is unsecured.
- **Studio Clean Up:** Students are expected to clean up after themselves at the end of each class. **Straighten the desktop and your work area in the computer labs. Make sure to push your chair in and turn off your computer when you leave.** In art studios, easels should be wiped down to remove charcoal, pastel, or paint; and the easels should be returned to a circular configuration in the room without blocking sinks or storage areas. Painting students should wipe up any paint from the sinks.

**G300 Art Lab Policies**

The G300 Studio Labs are restricted to use by only currently enrolled students in Painting, Drawing, and Design Classes who are attending art classes on a regular basis and are in good standing in the classes. The G300 Studio Labs are available to approved art students to use for required classwork during posted Open Lab hours. The following rules and regulations must be followed at all times:

1. The “storage room” inside G302 is not to be used by students as a primary location for painting or drawing. It is predominantly used for storage of student work, and supplies. Painting racks, slide viewing area, and supplies must be accessible at all times.
2. Student paintings (class work for current semester only) are to be stored in the provided painting racks.
3. Student drawings are to be stored in class assigned shelves or cabinets.

**About Images for This Class:** You will only work with images that you have the legal right to use--no exceptions! You will use photographs or files that you have taken or created. On rare occasions, royalty-free images from CD-ROM’s, the net, or books may be used with proper attribution. It is illegal to scan an ad from a magazine, download and use copyright protected works from the internet (and most are), or even scan a photograph of the Mona Lisa to use as part of your image (someone else took that picture!). This stuff is complicated so get the image yourself! Get your camera out and start shooting!
G301-303 Safe Studio Practices:

- Explanations and descriptions of possible hazardous materials are found in a binder marked "MSDS" in the yellow flammable closet in G302.
- Students are responsible for contributing to a safe studio environment.

- Use the correct knife for the cutting job at hand. Keep fingers well out of the way. Always protect the table or counter on which the cutting is done. Dispose of used blades in the proper container.
- Student supplies should be kept in the student locker room. Any supplies left in G301 must be labeled, stored in the proper containers, and flammable materials stored in the fire-safe cabinet.

Brushes
- Bristle Brushes (hog’s hair or stiff nylon/synthetic): suggested types and sizes

  - Fan brush
  - Filberts (one large, one small)

  - Liner brush (soft, long and thin bristles)
Optional soft brushes:
  - Flats or filberts for smooth blending
  - Rounds (a few small ones)

Palette & Knife
- Oil— Disposable palette, glass, wood, ceramic, plastic. I recommend a plastic palette w. lid for easy transportation.
- Acrylic— Disposable palette, wax paper, plastic. I recommend a plastic palette w. lid—you can buy one or make one yourself with any flat, lidded plastic box, or a smallish shallow baking pan covered with a lid or plastic wrap. A chamois or flat sponge plus parchment paper placed in this box or pan will keep your acrylics from drying out as fast.
- Palette/painting knife - straight and offset blades

Ground (Gesso)
- Acrylic gesso will work for oils and acrylics. White house paint will do, but isn’t as reliable as artist quality gesso. Oil painters may research oil-based grounds as an alternative.
