Stop Before you Drop

For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop.

You may drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions.

Remember that once you have accumulated six non-exempt drops, you cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access:

http://www.dcccd.edu/Why/Reg/Registration/Pages/default.aspx

Withdrawal Policy

If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal February 28, 2015. Failure to do so will result in your receiving a performance grade, usually an “F.” If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (Withdraw) in each class dropped. See institutional policies for additional information on withdrawals.

Attendance Policy

Two (2) points for every absence will be deducted from the final course grade. One (1) point for every tardy (late entering the classroom) will also be deducted from the final course grade. **If a student is absent three (3) times, then that would be 3x2 points=6 points deducted from the final course grade average. It is imperative that students are in class every day.

Emergency Closings

In case of weather that is severe enough to make you question whether the campus will be closed, the following information is provided:

The campus President will make the decision to close the campus on the day in question. The DCCCD offices of Public Information will work together to notify the media as soon as the decision is
made. All major broadcast media will carry DCCCD inclement weather information.

In case of an emergency, contact the Cedar Valley College Police Department at 972-860-4290. The campus Police Department has officers on duty 24-hours-a-day to assist you.

The course will continue through eCampus, so always sign in and keep up with the work through the course eCampus site.

These plans are made to ensure the safety of DCCCD students and employees.

Classroom Policies

There will be no food or drink allowed in the classroom. ALL cell phones, I-pods, MP3 players, etc. are to be off and put away (out of sight). The class will come up with a consequence for those students who are caught texting or using any electronic device in the classroom during class time.
