**FINANCIAL AID STUDENTS:**
If you are receiving Financial Aid grants or loans, you must begin attendance in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds. Failure to contact the instructor will result in your name being submitted to the Financial Aid Office as a “non-attendee.” All students receiving financial aid must open an Email account through NetMail. See directions in this syllabus for opening an Email account.

“If you are receiving Financial Aid grants or loans, you must begin attendance in all classes prior to the 12th class day/financial aid award lock (see calendar in class schedule). Do not drop or stop attending any class without consulting the Financial Aid office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.”

Financial Aid Statement for Distance Learning Classes
If you are receiving Financial Aid grants or loans and are enrolled in a Distance Learning class, you must show participation in this class prior to the certification date by either e-mailing or contacting the instructor or logging on to eCampus. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.

Academic Honesty Statement
Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog at http://www1.dcccd.edu/cat0506/ss/code.cfm

Academic dishonesty includes, but is not limited to, cheating on tests, plagiarism and collusion. Cheating includes copying from another student’s test or homework paper, using materials not authorized, collaborating with or seeking aid from another student during a test, knowingly using, buying, selling, stealing, or soliciting the contents of an unadministered test, and substituting for another person to take a test. Plagiarism is the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own written work. Collusion is the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. Academic dishonesty is a serious offense in college. You can be given a failing grade on an assignment or test, can be failed for the class, or you can even be suspended from college.

Drop a Course “W” Date:
If you are unable to complete this course, you must withdraw from it by Thursday, April 16, 2015.

Stop Before You Drop
For students who enrolled in college level courses for the first time in the Fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you
cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: https://www1.dcccd.edu/coursedrops

To drop a class or withdraw from the college, you must follow the prescribed procedure. **It is your responsibility as a student to drop or withdraw.** Failure to do so will result in your receiving a performance grade, usually a grade of “F”.

**Repeating This Course: (Third Attempt to Enroll in a Course)**
Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. All third and subsequent attempts of the majority of credit and Continuing Education/Workforce Training courses will result in additional tuition to be charged. Developmental Studies and some other courses will not be charged a higher tuition rate. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 Semester. **See Third Attempt to Enroll in a Course at:**
http://www.dcccd.edu/thirdcourseattempt/

**Eastfield College Email Policy**
Faculty and students must have and use a DCCCD account for all correspondence relating to academic coursework. For information on setting up a DCCCD student email account go to:
http://www.dcccd.edu/netmail/home.html

**Religious Holidays**
Absences for observance of a religious holy day are excused. A student whose absence is excused to observe a religious holy day is allowed to contract with the instructor to take a make-up examination or complete an assignment within a reasonable time after the absence.

**Attendance**
Attendance is required for this class. Students must log in to eCampus once a week to get credit for attendance.

**ADA Services:**
Students requiring accommodations due to the presence of a disability must identify themselves thirty days before the semester begins and demonstrate/document the need for accommodation at the Disability Services Office. For information regarding the rights and responsibilities of students with disabilities, contact the DSO at 972-860-8348 or go to http://www.eastfieldcollege.edu/SSI/DSO/.

**Family Educational Rights and Privacy Act of 1974 (FERPA)**
In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), the College may release information classified as “directory information” to the general public without the written consent of the student. Directory information includes: (1) student name, (2) student address, (3) telephone numbers, (4) date and place of birth, (5) weight and height of members of athletic teams, (6) participation in officially recognized activities and sports, (7)
dates of attendance, (8) educational institution most recently attended, and (9) other similar information, including major field of student and degrees and awards received. Students may protect their directory information at any time during the academic year. If no request is filed, directory information is released upon written inquiry. No telephone inquiries are acknowledged. No transcript or academic record is released without written consent from the student, except as specified by law.

Emergency Alerts
As a Dallas County Community College District student, you will receive an alert when an emergency occurs on your campus. Alerts are sent by email, as required by state law, when an unscheduled evacuation or closure of a DCCCD campus or office occurs because of bad weather, utility outages, police emergencies or other types of emergencies. Previously, you did not receive alerts unless you requested them. Under that "opt-in" system, you had to sign up to receive alerts.

DCCCD has launched a new "opt-out" system. Our new opt-out system automatically will send alerts to your email address unless you specifically "opt out" by informing us that you do not want to receive alerts.

HOW TO UPDATE YOUR EMAIL, REQUEST PHONE OR TEXT ALERTS OR OPT OUT

We send alerts to the email address you provided to us when you registered for classes, so if your email address has changed since you registered, be sure to update it.

Here are the steps you should follow to update your email address. You can use these same steps to add a phone number or a text number to receive messages for DCCCD Emergency Alerts or to "opt out" if you don't want to receive these alerts:

1. Log on to eConnect (https://econnect.dcccd.edu/eConnect/eConnect).
2. Under "My Personal Information," click on "DCCCD Emergency Alerts" (it's the second link down). You'll then see the Emergency Notification Information page.
3. Update your emergency email address, if necessary. Add your phone number (to receive a recorded phone call) and your text number (to receive a text message) if you want to receive alerts by those methods. Or, if you do not want to receive any alerts, choose the "Opt Out" selection.
4. Click "Submit." Log off.

IMPORTANT NOTE: Updating your emergency alerts email address does not update the email address on file in your student record. You can update your student record email address online through eConnect's "Change Email Address" link or through your college registrar's office. After you sign up for text alerts, following the steps listed above, our new vendor, Blackboard Connect, will input your text-enabled phone number into the system. Blackboard Connect will automatically send a text message to your mobile phone to confirm your request. There is no charge to receive emergency alerts by text. However, standard text message charges from your cell phone provider will apply.
Find out what our emergency alerts look like by going to this Web page: 
http://www.dcccd.edu/SS/OnlineSvs/EmergAlerts/Pages/AlertsLookLike.aspx

For more information see the DCCCD Emergency Alerts Web page at
http://www.dcccd.edu/Alerts.

Food and Drink Policy
Food, drinks, and tobacco products are prohibited in Eastfield College classrooms.

CLASSROOM ENVIRONMENT: Your enrollment in this class indicates acceptance of the standards of conduct published in the Eastfield College Catalog. As you are a college student, I consider you to be a responsible adult. Therefore, any disruptive behavior in the classroom is not acceptable and will not be tolerated. Also, you are requested to turn off pagers and cell phones before entering the classroom.

Obtaining Final Course Grades Using eConnect
Final Grade Reports are no longer mailed. Convenient access is available online at www.econnect.dcccd.edu. Use your identification number when you log onto eConnect, an online system developed by the DCCCD to provide you with timely information regarding your college record. Your grades will also be printed on your Student Advising Report, which is available in the Admissions Office.

Children on Campus
The institution strives to protect an environment most conducive to teaching and learning for all enrolled students. Children who are taking part in organized scheduled activities or who are enrolled in specific classes are welcomed. Minor children, however, should not be brought to the institution unless closely supervised by their parent. Minor children should not be brought into classrooms, laboratories or other facilities of the college. This practice is disruptive to the learning process. In the case of an emergency where the student-parent has no alternative but to bring the child to campus, classroom faculty or the administrative heads of other units have full discretion as to whether a child may be allowed to quietly stay in the location. These individuals may require that children be removed by the student-parent from the setting if, in their opinion, the presence of the child is deemed to be disruptive to the learning process. For reasons of security and child welfare the institution will not permit unattended children to be left anywhere on the premises. Parents who have problems with childcare should visit the Counseling and/or Advisement Center to receive referrals to childcare services in the area.

The instructor reserves the right to amend this syllabus as necessary.
