EXEMPLARY EDUCATIONAL OBJECTIVES (EEOs) in PHILOSOPHY 1304

As part of the Core Curriculum, Religion 1304 satisfies the following Exemplary Educational Objectives set forth by the Texas Higher Education Coordinating Board:

1. To demonstrate awareness of the scope and variety of works in the arts and humanities.
2. To understand those works as expressions of individual and human values within an historical and social context.
3. To respond critically to works in the arts and humanities.
5. To articulate an informed personal reaction to works in the arts and humanities.
7. To demonstrate knowledge of the influence of literature, philosophy and/or the arts on intercultural experiences.

CORE CURRICULUM INTELLECTUAL COMPETENCIES (CCICs)

This course reinforces 5 of the 6 Core Curriculum Intellectual Competencies defined by the Texas Higher Education Coordinating Board. The CCIC’s identified by the DCCCD which are reinforced by Religion 1304 are as follows:

1. READING: Reading at the college level means the ability to analyze and interpret a variety of printed materials -- books, articles, and documents. A Core Curriculum should offer students the opportunity to master both general methods of analyzing printed materials and specific methods for analyzing the subject matter of individual disciplines.

2. WRITING: Competency in writing is the ability to produce clear, correct, and coherent prose adapted to purpose, occasion, and audience. Although correct grammar, spelling, and punctuation are each a *sine qua non* in any composition, they do not automatically ensure that the composition itself makes sense or that the writer has much of anything to say. Students need to be familiar with the writing process including how to discover a topic and how to develop and organize it, how to phrase it effectively for their audience. These abilities can be acquired only through practice and reflection.

3. SPEAKING: Competence in speaking is the ability to communicate orally in clear, coherent, and persuasive language appropriate to purpose, occasion, and audience. Developing this competency includes acquiring poise and developing control of the language through experience in making presentations to small groups, to large groups, and through the media.

4. LISTENING: Listening at the college level means the ability to analyze and interpret various forms of spoken communication.

5. CRITICAL THINKING: Critical thinking embraces methods for applying both qualitative and quantitative skills analytically and creatively to subject matter in order to evaluate arguments and to construct alternative strategies. Problem solving is one of the applications of critical thinking, used to address an identified task.
MEANS OF ASSESSMENT OF COURSE OBJECTIVES, CORE CURRICULUM INTELLECTUAL COMPETENCIES, AND EXEMPLARY EDUCATIONAL OBJECTIVES

Instructors may select all or several of the activities below as well as develop additional activities to support the learning environment and the Core Curriculum Intellectual Competencies and the Exemplary Educational Objectives.

REQUIREMENTS OF THE AMERICANS WITH DISABILITIES ACT
North Lake College provides academic accommodations to students with disabilities, as defined under ADA law. It is the student's choice and responsibility to initiate any request for accommodations. If you are a student with a disability who requires such ADA accommodations, please contact North Lake College's Disability Services Office in person (A430) or by phone at 972-273-3165. http://www.northlakecollege.edu/resources/disability.html

DROP POLICY
If you are unable to complete this course, you must officially withdraw by Saturday, February 28, 2015. This is the official drop date for this course section. Withdrawing is a formal procedure which you must initiate; your instructor cannot do it for you. The census date is January 27, 2015.

All Dallas County Community Colleges charge a higher tuition rate to students registering the third time for a course. This rule applies to the majority of credit and Continuing Education / Workforce Training courses. Developmental Studies and some other courses are not charged a higher tuition rate. Third attempts include courses taken at any DCCCD college since the fall 2002 semester. For further information, go online to: http://www.DCCCD.edu/thirdcourseattempt.

FINANCIAL AID STATEMENT
Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. If you fail to attend or participate after the drop date, you are also subject to this policy.

To apply for financial aid in the DCCCD, students must complete FAFSA (Free Application for Federal Student Aid) on the web at http://www.fafsa.ed.gov.
COUNSELING SERVICES
Counseling services for personal issues are provided to all students currently enrolled at North Lake College. These services are provided by licensed professionals who are bound by confidentiality (within ethical parameters) at no charge. With the assistance of a counselor, students are able to identify, understand, resolve issues and develop appropriate skills. If you are a currently enrolled student, you are eligible for free counseling services. You may schedule an appointment by calling 972-273-3333 or going to A-311.

THE ACADEMIC SKILLS CENTER (ASC)
The ASC is designed to provide assistance to students in the following areas:

Labs for students enrolled in foreign language, Developmental Reading, and ESOL courses. One-on-one tutoring is available.

The Writing Center can help students clarify writing tasks, understand instructors’ requirements, develop and organize papers, explore revision options, detect grammar and punctuation errors, and properly use and document sources. Rather than merely editing or "fixing" papers, tutors focus on helping students develop and improve their writing skills.

The Online Writing Lab (OWL) allows students to submit papers to our writing tutors electronically and get feedback within 24-72 hours. The OWL can be accessed through eCampus. After logging on to eCampus, click on the Community Tab at the top. Type “Owl” in the search field and click “Go.” Next, click on the double drop-down arrows next to “NLC-OWL2,” and then click on “Enroll.” Once enrolled, students can receive services from the OWL.

For more information or to schedule a tutoring appointment, come by A-332 or call 972-273-3089.

STOP BEFORE YOU DROP
If you enrolled in college-level courses for the first time in the fall of 2007, the Texas Education Code 51.907 allows you to drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. The Counseling/Advising Center will give you more information about allowable exceptions.

Once you have accumulated six non-exempt drops, you cannot drop any other courses with a “W.” Therefore, you need to exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. More information is available at http://www.northlakecollege.edu/admissions/drop.html or https://www1.dcccd.edu/catalog/ss/oep/dw.cfm.

COURSE POLICIES FOR STUDENT SUCCESS

ASSIGNMENTS AND WEIGHTING
- 13 Reading Assignments with 13 Quizzes
- 3 Exams
- One (1) Research Paper
- One (1) Reflection Paper [optional]
  The Reflection Paper can be submitted in place of the Research Paper.
  Instructions for the reflection paper are located in Lesson 6A on Confucianism.

FINAL COURSE GRADE CALCULATION
For Online Course: Each of the following assignments (i.e., the quizzes, and the research paper, and exams) possess the same and equal value and weight. The final course grade is determined by calculating the AVERAGE of the sum total of all assignment grades. This course is NOT based on the number of points earned. All assignments and requirements specified in this syllabus are mandatory [except the reflection paper on social anarchy in Lesson 6A --Confucianism. Also the Discussion Board responses is an optional assignment.

ATTENDANCE POLICY
An individual attendance/participation grade is not assigned for online sections. However, it is the student’s responsibility to complete and submit all assignments by the deadlines and due dates indicated in the course syllabus and to login daily to check for new announcements posted by the instructor.

EXTRA CREDIT—Instructor’s Option
This course has an extra credit assignment already included referred to as the Discussion Board Topics. During final course grade calculations if a student’s grade sits 2 or 3 percentage points from the next highest grade, then the instructor will go to the discussion board topics to see if the student has satisfactorily posted a response to all topics listed. For example, if a student’s final course grade at the end of the course is 87.5% then I will look to see if that student has posted well-written and thoughtful responses to the discussion board topics listed. The student is allowed to miss only one topic. This extra activity does NOT replace any of the other assignments in the course.

REMEMBER: LATE ASSIGNMENTS ARE NOT ACCEPTED!
RESEARCH PAPER REQUIREMENTS
