Attendance Policy:
Attendance Certification Date – February 2

- Students are expected to start this course in the first week (Jan. 20 -25) and end the course in the week of finals (May 11-14). The semester ends May 14.
- No make ups for the first week activities: Start Here eCampus and phone Activities.
- Attendance is certified for financial aid purposes at the beginning of the semester. By January 26, students must do the following two items.
  - Students must participate in the class on eCampus at least once.
  - Students must set up an account on iLrn for PLAZAS.
- Consistent participation (even online) is essential to language learning and the instructor will monitor online work. Students are expected to work weekly (2-3 times a week minimum) on both eCampus and iLrn to complete the course. If a student's work schedule or family schedule changes, the student should notify the instructor and make adjustments as needed.
Classroom Etiquette or Netiquette:
- Netiquette is appropriate and professional behavior online. Students are expected to be civil and respectful on eCampus, iLrn, and in other communication with the professor and classmates.
- Students are expected to be civil and professional on the phone. TV or radio or music should not be on in the background. Students should provide full name.
- Try your best. Sometimes your best is not perfection. This is a beginning class.
- Students should schedule at least two or three times a week to work online. Dedicate two to five hours a week to the class. Break up the time in 20-30 minutes blocks to make the most of your time. The brain shuts down after 45 minutes.
- At those times students should be prepared to learn and to work. Being prepared means no or very little distractions: turn off or silence phones. Suggestion: Let family and friends know that you are not available at these times.
- Students should check the announcements weekly and other areas on eCampus for any changes or updates to the course calendar, grades, and course material.
- Working on iLrn for PLAZAS adds up to 45 points per chapter. This work includes taking the pre-test and the post-test, completing the iLrn lab work, assignments, using the tutorials, reviewing vocabulary and grammar.
- If there is a concern, please speak to the professor after class or during office hours. Students are also encouraged to call or text the professor (cell 972-655-9302). Students can also send an email (cfoxballi@dcccd.edu).
- Eastfield College has a student concern process that starts with meeting with the instructor. The instructor can set up a mutually convenient time to discuss the student’s concern and to resolve the matter. If it is not resolved, then the process continues.
- If a student is having difficulty, the professor may request two meetings (on the phone or in person, whatever is more convenient for the student) outside of class: one to discuss the professor’s concerns and the second as a follow up. Tutoring outside of class may also be required to help the student’s performance and grade.
- Please notify the professor of any matters that affect participation.
- If there is a learning difference or impairment, please notify the professor.

Class Expectations: Stay on schedule. This nine-week course moves at a fast pace.
1. Students should complete the course requirements. That means students are responsible for getting the required textbook.
2. Students should use the course calendar, eCampus announcements and the chapter checklists to stay on track.
3. Use the PLAZAS ebook and/or printed text and the online iLrn:
   a. Take the chapter pre-test on iLrn.
   b. Use the tutorials and practice.
   c. Complete the weekly lab work on iLrn.
   d. Complete the chapter assignments.
   e. Study the vocabulary and grammar.
   f. Take the chapter post-test on iLrn.

**Developmental Courses:**

The Texas Success Initiative (TSI) is a statewide program designed to ensure that students enrolled in Texas public colleges and universities have the basic academic skills needed to be successful in college-level course work. The TSI requires assessment, remediation (if necessary), and advising of students who attend a public college or university in the state of Texas. The program assesses a student’s basic academic skills in reading, writing, and math. Passing the assessment is a prerequisite for enrollment in many college-level classes such as English 1301/1302, History 1301/1302, Math 1414, etc. Students who do not meet assessment standards may complete prerequisite requirements by taking developmental courses in the deficient area and passing them with a grade of C or higher. In some cases retesting will also be required. It is up to each student to be aware and informed about requirements that are subject to change. Additional information is available from the TSI Office. [https://www1.dcccd.edu/cat0910/admiss/tsi.cfm?loc=4](https://www1.dcccd.edu/cat0910/admiss/tsi.cfm?loc=4)

**Obtaining Final Course Grades Using eConnect:**

Final Grade Reports are no longer mailed. Convenient access is available online at [www.econnect.dcccd.edu](http://www.econnect.dcccd.edu). Use your identification number when you log onto eConnect, an online system developed by the DCCCD to provide you with timely information regarding your college record. Your grades will also be printed on your Student Advising Report, which is available in the Admissions Office.

**Eastfield College Email Policy**

Faculty and students must have and use a DCCCD account for all correspondence relating to academic coursework. For information on setting up a DCCCD student email account go to: [http://www.dcccd.edu/netmail/home.html](http://www.dcccd.edu/netmail/home.html)

**Financial Aid Statement**
Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

Financial Aid Statement for Distance Learning Classes
If you are receiving Financial Aid grants or loans and are enrolled in a Distance Learning class, you must show participation in this class prior to the certification date by either e-mailing or contacting the instructor or logging on to eCampus. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.

Repeating This Course: (Third Attempt to Enroll in a Course)
Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. All third and subsequent attempts of the majority of credit and Continuing Education/Workforce Training courses will result in additional tuition to be charged. Developmental Studies and some other courses will not be charged a higher tuition rate. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 Semester. See Third Attempt to Enroll in a Course at: http://www.dcccd.edu/thirdcourseattempt/

Academic Honesty Statement
Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion.

As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct, published in the DCCCD Catalog at http://www1.dcccd.edu/cat0506/ss/code.cfm

Academic dishonesty includes, but is not limited to, cheating on tests, plagiarism and collusion. Cheating includes copying from another student’s test or homework paper, using materials not authorized, collaborating with or seeking aid from another student during a test, knowingly using, buying, selling, stealing, or soliciting the contents of an unadministered test, and substituting for another person to take a test. Plagiarism is the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own written work. Collusion is the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. Academic dishonesty is a serious offense in college. You can be given a failing grade on an assignment or test, can be failed for the class, or you can even be suspended from college.

Food and Drink Policy
Food, drinks, and tobacco products are prohibited in Eastfield College classrooms. However, food and drinks will be permitted when it is relevant to the class. When we cover Capítulo 6 on food, we will be eating in class. Note any food allergies with the instructor.

ADA Statement
Students with a physical, mental or learning disability who require accommodations should contact the college Disability Services Office in C237. 972.860.8348 or email efcdso@dcccd.edu. For more information: http://www.eastfieldcollege.edu/SSI/DSO/index.html
Religious Holidays
Absences for observance of a religious holy day are excused. A student whose absence is excused to observe a religious holy day is allowed to contract with the instructor to take a make-up examination or complete an assignment within a reasonable time after the absence.

Withdrawal Policy
If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by April 16, 2015. Failure to do so will result in your receiving a performance grade, usually an “F.” If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (Withdraw) in each class dropped. For more information about drop deadlines, refer to the current printed Credit Class Schedule, contact the Admissions/Registrar’s Office at 972-860-7167 (Room C119), or contact the division office.

STOP BEFORE YOU DROP
For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: https://www1.dcccd.edu/coursedrops

Family Educational Rights and Privacy Act of 1974 (FERPA)
In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), the College may release information classified as “directory information” to the general public without the written consent of the student.
