INSTRUCTOR DISCRETION:
Final grades are at the discretion of the instructor, based on students’ overall performance. Grades may be rounded up or down based on semester-long improvement trends, student engagement, and adherence to course policies.

LATE WORK AND MAKE-UP TEST POLICY:
Late work and make-up tests are not available in this course except with documented proof of extreme circumstances directly affecting the student. Assignments and tests may be submitted early. The course is designed so that some weeks are less demanding than others. If you know you will be busy during the semester, please plan accordingly. Technology issues are not an excuse for missed work; online students are expected to have a backup plan such as the campus computer labs.

COURSE AND EMAIL ETIQUETTE:
All interactions within the course are to be conducted on a professional level. Emails should include a subject line indicating course number and campus (i.e. ARTS 1304 Mountain View), a greeting (please address the instructor as Prof. or Dr. Foltz), and a closing. Students should use proper capitalization, punctuation, and grammar at all times. Messages that do not use these formalities may be construed as rude or unprofessional. In all emails, discussion boards, and other contact with the instructor or other students, remember that tone and body language are absent, so please refrain from sarcasm, demands, or other wording that may be interpreted as impolite.

Do not attempt to contact the instructor via Yahoo email at any time. Your message will not be received. To discuss grades or other matters of a private nature, you must use your DCCCD student email account.

WRITTEN ASSIGNMENT FORMAT:
All assignments should be of high academic quality, including attention to spelling, grammar, and punctuation. Students should avoid slang, profanity, and non-standard formats. Cover sheets are not necessary. Please include the following in all assignments:

- 12 pt. type, double-spaced
- standard font (Times/Arial/Cambria/Calibri)
- 1” margins in body of paper
- MLA format including heading and page numbers
MLA formatted parenthetical (in-text) citations and Works Cited page

*NOTE: ALL outside sources must be given proper credit. If you are unsure of how to do this, please review Writing Resources under the Assignments folder in eCampus.

All assignments should be submitted as .doc, .docx, or .pdf. I cannot open .rtf, .wps, or other formats. Do not type your assignments in the Comments box; if you do so, the assignment will receive a 0%. You must either upload a file or click “Write Submission.”

TECH SUPPORT:
The instructor does not provide technical support or training. Students who enroll in an online course are expected to have a basic command of internet and computing functions, including uploading and downloading files, navigating web pages, and viewing online videos. You will also need to learn to create a Wiki entry in Blackboard.

Withdrawal Policy
If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by Thursday, April 4, 2016. Failure to do so will result in your receiving a performance grade, usually an "F." Students often drop courses when help is available that would enable them to continue. Please discuss your plans with your instructor if you feel the need to withdraw.

If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a "W" (Withdraw) in each class dropped.

Stop Before You Drop
For students who enrolled in college level courses for the first time in the Fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career, unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions.
Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W.” Therefore, please exercise caution when dropping courses in any Texas Public Institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: https://www1.dcccd.edu/6drop

Repeating This Course
Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class may not be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 semester. More information is available at: https://www1.dcccd.edu/cat0506/ss/oep/third_attempt.cfm

Financial Aid
Students must begin attendance in all classes of enrollment. No exceptions. Financial Aid will not be granted to students who have been certified as not attending by the certification date. For this lecture class, your physical participation in class, on or before the certification date, will allow you to receive credit for FA purposes. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses. Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

If you are receiving financial aid grants or loans, you must begin attendance in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.

The Texas Success Initiative (TSI)
The Texas Success Initiative (TSI) is a statewide program designed to ensure that students enrolled in Texas public colleges and universities have the basic academic skills needed to be successful in college-level course work. The TSI requires assessment, remediation (if necessary), and advising of students who attend a public college or university in the state of Texas. The program assesses a student's basic academic skills in reading, writing, and math. Passing the assessment is a prerequisite for enrollment in many college level classes. Students who do not meet assessment standards may complete prerequisite requirements by taking developmental courses in the deficient area and passing them with a grade of C or higher. Additional information is available at https://www1.dcccd.edu/cat0506/admiss/tsi_requirements.cfm.
Journey to Success (Early Alert)
Journey to Success (commonly known as "Early Alert") is a program designed to help DCCCD students identify and overcome obstacles they are facing during the pursuit of academic and career goals. The program is available to all DCCCD credit students who need help and guidance to achieve said goals. Specially trained coordinators, success coaches and faculty members at MVC volunteer their time to take part in Journey to Success. Additional information is available at http://www.dcccd.edu/au/chancellor/orglearn/councils/tf/journsuccess/Pages/default.aspx.

Academic Honesty
Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at https://www1.dcccd.edu/cat0406/ss/code.cfm.

This course follows DCCCD policies for plagiarism, cheating, and related infractions. Assignments showing evidence of plagiarism will receive a grade no higher than 50%. Repeated attempts to cheat or plagiarize could result in failure of the course. All work submitted in this course should be in your own words, or attributed properly. If you use wording from any other source, including the textbook or websites, it must be cited using MLA format. **Short answers on tests must be in your own words. Wiki Projects must include citations and proper quotation.** “Double-dipping” (submitting work from a previous course or semester) is not permitted.

It is your responsibility to understand what constitutes academic dishonesty. If you are unsure, please contact the instructor **before** you turn in an assignment you are not sure about.
