GENERAL CHEMISTRY I  
CHEM.1411.62430  
SPRING 2016  
12/21/2015 THRU TO 01/08/2016

PROFESSOR: Jesse Fox  
EMAIL: jfox@dcccd.edu  
OFFICE PHONE: 214-860-8653/214-860-3653  
OFFICE NUMBER: H 125  
OFFICE HOURS: TRS 1:00-3:00 PM ONLINE  
FACE-TO-FACE UPON REQUEST  
CREDIT HOURS: 4

DIVISION: SCIENCE, NURSING, ARTS/HUMANITIES AND PHYSICAL EDUCATION  
DEAN: STEPHEN JONES, Ph. D.,  
DIVISION OFFICE PHONE: 214-860-8760  
DIVISION OFFICE NUMBER: E 40

COURSE DESCRIPTION: This course is for science and science-related majors. Fundamental concepts of chemistry are presented including measurement and the metric system, the history of chemistry, the mole concept, chemical reactions and stoichiometry, energy and chemical reactions, states and properties of matter, the periodic table, chemical bonding, atomic and molecular structure, gas laws, and concentrations of solutions. (3 Lec., 3 Lab.)

COURSE PRE-REQUISITES: MATH 1314 or equivalent AND Developmental Reading 0093 or English as a Second Language (ESOL) 0044 or have met the Texas Success Initiative (TSI) Reading standard. High school chemistry is strongly recommended.

REQUIRED MATERIALS: CAROLINA DISTANCE LEARNING CHEMISTRY SCIENCE KIT
STATE REQUIREMENTS:

COURSE OBJECTIVES
The objective of the study of a life and physical sciences component of the core curriculum is the focus on describing, explaining, and predicting natural phenomena using scientific method. Courses involve the understanding of interactions among natural phenomena and the implications of scientific principles on the physical world and on human experiences.

Required Core Objectives for Chemistry are as follows:

- Critical Thinking
- Communication
- Empirical and Quantitative Skills
- Critical Thinking

For 2015-2016, Chemistry will evaluate and assess the following Core Objectives:

- Teamwork

The following science courses include the above core objectives: Biology 1406, 1407, 1408, 1409, 1411, 2401, 2402, 2406, 2416, 2420, 2421; Chemistry 1405, 1406, 1407, 1411, 1412, 2423, 2425 Geology 1401, 1402, 1403, 1404, 1405, 1445, 1447; Physics 1401, 1402, 1403, 1404, 1405, 1407, 1415, 1417, 2425, and 2426.

STUDENT LEARNING OUTCOME

STUDENT LEARNING OUTCOMES FOR DISCIPLINE OF CHEMISTRY

Students in lecture will be able to:
1. Define the fundamental properties of matter.
2. Classify matter, compounds, and chemical reactions.
3. Determine the basic nuclear and electronic structure of atoms.
4. Identify trends in chemical and physical properties of the elements using the Periodic Table.
5. Describe the bonding in and the shape of simple molecules and ions.
7. Write chemical formulas.
8. Write and balance equations.
9. Use the rules of nomenclature to name chemical compounds.
10. Define the types and characteristics of chemical reactions.
11. Use the gas laws and basics of the Kinetic Molecular Theory to solve gas problems.
12. Determine the role of energy in physical changes and chemical reactions.
13. Convert units of measure and demonstrate dimensional analysis skills
14. Demonstrate their ability to represent chemistry artistically, either through presentation, poster or art form.

Students in lab will be able to:
1. Use basic apparatus and apply experimental methodologies used in the chemistry laboratory.
2. Demonstrate safe and proper handling of laboratory equipment and chemicals.
3. Conduct basic laboratory experiments with proper laboratory techniques.
4. Make careful and accurate experimental observations.
5. Relate physical observations and measurements to theoretical principles.
6. Interpret laboratory results and experimental data, and reach logical conclusions.
7. Record experimental work completely and accurately in laboratory notebooks and communicate experimental results clearly in written reports.
8. Design fundamental experiments involving principles of chemistry.
9. Identify appropriate sources of information for conducting laboratory experiments involving principles of chemistry.
STUDENT LEARNING OUTCOMES FOR AA & AS DEGREE PROGRAM

Student will be able to:

1. Reason logically to solve social, political, economic, scientific, quantitative, or personal problems.
2. Communicate ideas (aurally, orally, and in writing) with clarity, logic, proper grammar, and appropriateness for audience and occasion.
3. Employ reading strategies to demonstrate learning, to analyze information, to formulate judgments, and to make recommendations.
4. Apply research skills necessary to retrieve and evaluate information.
5. Demonstrate scientific reasoning to solve problems. (AS Degree only)

COURSE OUTLINE

Instructor Attendance Policy:
Students are expected to attend all classes. Students have the responsibility to attend class and to consult with the instructor when an absence occurs. If for some reason you must leave class early, you should inform the instructor prior to the start of class of your reason for leaving early.

Students must begin attendance in all classes of enrollment. No exceptions. Financial Aid will not be granted to students who have been certified as not attending, by the certification date. For this lecture course, your physical participation in class, on or before the certification date will allow you to receive credit for FA purposes. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses.

CHEMISTRY 1411 COURSE CONTENT

Chapter 1
ATOM

Chapter 2
MOLECULE

Chapter 3
STOICHIOMETRY

Chapter 4
SOLIDS AND LIQUIDS

Chapter 5
GASES

Chapter 6
THERMOCHEMISTRY AND THERMODYNAMICS

HOMEWORK AND EXAM DATES WILL BE GIVEN IN CLASS. THERE WILL BE NO MAKE UP WORK.

ASSESSMENT

Exams and Assignments:
The final grade for the course is based on the grade scale shown above. The total points are based on the following:

- 48.0 pts EXAMS
- 24.0 pts LAB REPORTS
- 5.0 pts COMPREHENSIVE LAB EXAM
- 3.0 pts PRELAB QUIZZES
- 3.0 pts PRETEST QUIZZES
- 3.0 pts DISCUSSIONS
- 5.0 pts COMPREHENSIVE FINAL EXAM
- 5.0 pts BOOK PROJECT
- 4.0 pts HOMEWORK
**FINAL EXAM**
The final exam will be a COMPREHENSIVE test. This tool will assess your overall chemistry knowledge of this course. A mastery of 60% or above is acceptable and the paradigm.

**LAB**

**All students must score 70% on lab safety exam.** If score is less than 70%, student must retake safety exam. No student will be allowed to work in the lab unless 70% mastery is achieved. Labs for Excel graphing will be specially assessed to test your graphing ability. A mastery of 60% or above is acceptable and the paradigm. ALL LABS ARE TO BE SUBMITTED TO CHEM 1411 62430 LABORATORY PORTION.

**Individual Book Projects**
Every student is assigned a project to be turned in or conveyed before the end of course. Students will also be assigned to cooperative learning groups and special project assigned as a group project. Grades will be assessed on basis of creativity, originality, neatness and accuracy with an assessment form administered by the Chemistry department. A mastery of 60% or above is acceptable and the paradigm.

**Quizzes**
Lecture and lab quizzes WILL be given, and calculated into overall grade.

**COLLEGE SPONSORED EVENT:** NONE.
**ELECTRONIC DEVICES:** Not Applicable

The withdraw date for this class is **January 04, 2016**
Census date is **December 22, 2015**.

**Academic Dishonesty:** (edit if needed)
Students that caught plagiarizing an assignment will be subject to an “F” in the course and possible expulsion from the college.

*Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at [https://www1.dcccd.edu/catalog/ss/code.cfm](https://www1.dcccd.edu/catalog/ss/code.cfm).*

**INSTITUTIONAL POLICIES**

**Repeating This Course:**
Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class may/may not be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 semester. More information is available at: [https://www1.dcccd.edu/catalog/ss/oep/third_attempt.cfm](https://www1.dcccd.edu/catalog/ss/oep/third_attempt.cfm)

**STOP BEFORE YOU DROP**
For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you
cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access:
https://www1.dcccd.edu/coursedrops

**Financial Aid:**
If you are receiving financial aid grants or loans, you must begin attendance in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds. For further information, please contact Financial Aid at 214-860-8688, 8834, or 8826.

**The Texas Success Initiative (TSI):**
The Texas Success Initiative (TSI) is a statewide program designed to ensure that students enrolled in Texas public colleges and universities have the basic academic skills needed to be successful in college-level course work. The TSI requires assessment, remediation (if necessary), and advising of students who attend a public college or university in the state of Texas. The program assesses a student's basic academic skills in reading, writing, and math. Passing the assessment is a prerequisite for enrollment in many college level classes. Students who do not meet assessment standards may complete prerequisite requirements by taking developmental courses in the deficient area and passing them with a grade of C or higher. Additional information is available at
https://www1.dcccd.edu/cat0506/admiss/tsi_requirements.cfm

**Academic Honesty:**
Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Online Catalog. More information is available at
https://www1.dcccd.edu/cat0406/ss/code.cfm

**ADA Statement:**
If you are a student with a disability and/or special needs who requires accommodations, please contact the college Disability Services Office. For information regarding the rights and responsibilities of students with disabilities, contact DSO at 972-260-8691 (Voice) or 972-860-3651 (TDD).

**Religious Holidays:**
Absences for observance of a religious holy day are excused. A student whose absence is excused to observe a religious holy day is allowed to take a make-up examination or complete an assignment within a reasonable time after the absence.

**Inclement weather:**
In the event of severe weather conditions, please listen to local radio or television stations for information concerning official closing of Mountain View College facilities. You can also call the information line at 214.860.8680, or check for updates on this web site. Decisions for evening classes will be made by 4:00 pm.
http://www.mountainviewcollege.edu/1weather.aspx

**Final Course Grade:**
Final grades are available only on eConnect and touchtone telephone at 972-613-1818. You will need your student ID number and use your birth date as your password.
http://econnect.dcccd.edu/econnect/st/stmenu.html

**Disclaimer Reserving Right to Change Syllabus:**
The instructor reserves the right to amend this syllabus as necessary.
**Withdrawal Policy (with drop date):**
If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by **JANUARY 04, 2016**. Failure to do so will result in your receiving a performance grade, usually an "F." If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a "W" (Withdraw) in each class dropped.

**COURSE SCHEDULE**
This is a tentative lecture schedule of events and is subject to change.
Please refer to ecampus.dcccd.edu for all course information.

STUDENT CONTACT INFORMATION

Name:_______________________________________  Current E-mail Address:______________________

Current Contact Phone Number:_____________________

Contact Modalities:
SKYPE: YES or NO  FACETIME: YES or NO  Other:___________

Initial the following acknowledging that you adhere to the statements. Any typed responses will be viewed as a signature.
Sign and date at the bottom of this page.

____ I fully understand that this is an online course, that it will be rigorous and will uphold the rule of academic honesty, stating that any work submitted will be my work.

____ I also understand that the test and quizzes will be timed and only given one time and one time only, and will abide by the rules of test taking, based on academic honesty.

____ I will also read the syllabus and ask questions on subjects that need further clarification. I understand that this syllabus is a contractual agreement, and accept this syllabus as a contract subject to change, and, if changes are made, my professor will give me prior notice in the form of oral or written communication in class.

____ I will also refer to this syllabus when I have questions about grades and extracurricular projects.

____ I understand that it is my responsibility to drop this course, after consulting my professor.

____ I will consciously make an effort to follow exam, quiz and laboratory schedules. I also understand that lab safety is my responsibility and will record my experiments.

____ I understand that if I cannot meet the established timelines, that I will receive a zero for that exercise.

____ I also understand that any violation of the rules that are written and/or orally communicated for lecture and/or laboratory could result in disciplinary action.
