In support of the MVC Quality Enhancement Plan and its goal for improving your writing skills, this course includes a number of written assignments. During the development of your papers, you may receive assistance from one or a combination of the following sources:

1) Instructor feedback on early drafts,
2) Guided peer reviews of your compositions at various stages of development, and/or
3) Guidance from a Writing Specialist in the MVC Academic Center for Writing.

Additionally, you may receive feedback through use of the MVC Writing Rubric that will indicate both the strengths of your writing as well as areas that need attention. NOTE: lack of participation in group activities designed to strengthen your writing will result in a grade not to exceed 70 (C-) on the related assignment.

**Grammar Requirement:** Students are required to demonstrate the ability to recognize and use correct standard American English. Students who score below 80 on the grammar diagnostic test are required to spend one hour per week on grammar tutorials, either with the instructor or in the AWC. This requirement will be rescinded when the student scores above an 80 on a subsequent test. A grammar test is required as part of the final exam; a grade of 80 or better is necessary in order for you to earn higher than a C in the course. A course average higher than a C will be reduced to a C if you do not fulfill this requirement.

**Instructor Attendance Policy:** Students are expected to attend all classes. If it is absolutely necessary to miss class, it is your responsibility to find out what you missed and come to the next class fully prepared, with all assignments complete. If homework has been assigned and you haven’t done it, you will not be permitted to attend class. If for some reason you must leave class early, you should inform the instructor prior to the start of class. Punctual attendance at every class is a necessity. If you arrive late, leave early, or leave class for more than 5 minutes, you will be marked absent. Because of the strict policy on late/make-up work, absence will almost certainly affect your grade.

*Students must begin attendance in all classes of enrollment. No exceptions. Financial Aid will not be granted to students who have been certified as not attending, by the certification date. For this lecture course, your physical participation in class, on or before the certification date will allow you to receive credit for FA purposes. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses.*

**Grading Scale:** Your final grade in the class will be determined based on the following grading scale:

- **A** = 100-90 points; **B** = 89-80 points; **C** = 79-70 points; **D** = 65-69 points, **F** = If you do not earn more than 65 points, you will have a failing grade
**Late Work Policy:** Late work is NOT acceptable. Work must be presented on the class day it is due or before. All assignments designated on the calendar with “DEADLINE” must be in the instructor’s hand before 2 p.m. on the date due. The classroom clock is the official timepiece. No work will be accepted after 2 p.m., no exceptions. There is no makeup work, quiz, or test allowed. In the case of certified emergency (documents must be submitted to verify this), please inform me, and we will work out an alternate plan. You are expected to have a ‘Plan B’ in place for childcare, transportation, and work emergencies so that they do not interfere with your education.

**Makeup Exam Policy:** Except in cases of extreme emergency, no make-up tests, quizzes, or exams are allowed. The decision as to whether the emergency is considered extreme is entirely the instructor’s. Students who skip the final exam automatically fail the course.

**College Sponsored Events:** The instructor must be informed ahead of time if you need to miss class for a college-sponsored event. Attendance at that event does NOT excuse you from responsibility for work done and/or homework assigned.

**Electronic Devices:** If any electronic device interferes with your complete attention to this class, you will be dismissed from this class. Set phones to SILENT during class time. If you are off-task on the computers, you will be dismissed from class.

**The withdraw date for this class is Saturday, April 29.**

**Academic Dishonesty:** Students that caught plagiarizing an assignment will be subject to an “F” in the course and possible expulsion from the college.

*Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at [https://www1.dcccd.edu/catalog/ss/code.cfm](https://www1.dcccd.edu/catalog/ss/code.cfm).*
