COMMUNICATION WITH YOUR INSTRUCTOR

I try to review and grade all newly posted material at least once a day during the work week. Also, you can expect me to respond to your e-mails normally within 24 hours during the work week. If you contact me after 4:30 P.M. on Friday, I will respond by 8:30 A.M. on Monday. If it is a holiday, I will respond by 8:30 A.M. on the next work day.

When you send an email be sure to include your name, class number, and section number. For example: **Bill Sigsbee, PSYC 2314 23416.** This will help me in locating your work and responding to you quickly.
Be aware that while this is my general and intended practice, it is subject to the changes and chances of life.

Technical Requirements and Support

PSYC 2314 online requires access to a computer, the Internet and e-mail (if applicable)

If you should have any technical difficulties, the fastest way to get technical support with eCampus is to click the "Help" link at the very top of the eCampus screen and then "Submit a Ticket" or call 972-669-6402. Also alert the instructor concerning any technical problems. (if applicable)

POSTING GRADES

I review and grade all newly posted material (Discussion Board answers and Tests) at least once a day during the work week. I will post a grade for your Discussion Board within 24 hours after you submit your answer. I usually do not start grading Discussion Boards until the due date posted in the class Calendar. If you submit a Discussion Board early it may not be graded until it is due.

Tests are automatically graded unless you go over the time limit. If you do go over the time limit I will grade your Test and post the grade within 24 hours after you take the Test. You can check your grades under the Tools button and then click on My Grades.
