Discipline/ Course/ Department/Policies

Expectations: Much of class time will be dedicated to the execution of the assigned projects. It is essential that you attend class on time and fully. It is during studio time that you will be able to receive assistance from the instructor, that the instructor is able to see your growth, and that you can interact with other visual artists. However, you may find it necessary to work outside of class to finish work on time. It is imperative that you come to class prepared to work. This means keeping up with the required assignments and having supplies ready for class. After each project or group of projects, we will have a group critique (discussion) about the class work. This is your opportunity to express opinions and views. Your participation in these critiques is expected.

Music: If you prefer to listen to music during class, bring your own personal listening device with earphones.
Breaks: Except when the structure of the class necessitates structured breaks, students are free to take short breaks as appropriate.
Mobile phones: Please take all phone calls outside the studio.
Continuing Education Students: Requirements and expectations are the same for Continuing Education students as for Credit students.
WEOTA is our NLC art club. All students enrolled in art classes and those others who are interested in art are considered members. Meetings are held during the fall and spring semesters.
Annual Portfolio Review is held at the end of the fall semester for those art students who wish to have their work rated by the faculty and juried for competitions and scholarships. Work is returned at the beginning of spring semester.
Annual Student Spring Exhibition is held at the end of the spring semester. All art students are eligible to enter their work. An outside juror makes award selections.
Studio Clean Up: Students are expected to clean up after themselves at the end of each class. Easels should be wiped down to remove charcoal, pastel, or paint; and the easels should be returned to a circular configuration in the room without blocking sinks or storage areas. Painting students should wipe up any paint from the sinks.
Lost and Found: See the police, C204.
