Office Phone Number: 214-860-8720
Office Number: W113D
Office Hours: As posted on office
Lab Phone Number: 214-860-8733
Meeting Days & Time: Online MTWRF
Room Number: W113B
Credit Hours: 3(2 Lecture, 4 Lab)

Division: Career and Technical Education
Office Hours: As posted on office
Office Phone: 214-860-8645
Office Location: W210

Course Description:

DFTG 2321 addresses recently current skills, knowledge, attitudes and behaviors pertinent to technology specifically in the Civil drafting field.

This is a course in map drafting. Emphasis is given to plotting of surveyors field notes, plotting elevations, contour drawings, plan and profiles, and laying out traverses.

Course Pre-requisites: None

Course Materials/Supplies Needed
1) Civil Drafting Technology by Madsen, Shumaker, & Madsen
2) AutoCAD 2018 Software
3) Architect & Engineer Scales

If you choose to use the MVC CAD Lab #4 and #5 applies to you.
4) 1 CDR or a USB Flash Drive
5) Computer Headphones

All required resource materials must be provided by the student. If you fail to provide your resource materials, you will be denied assistance in the lab. (Financial Aid is available if needed)
Student Learning Outcomes
After successful completion of this course the student should be able to:

A. Develop and apply Civil drafting skills using AutoCAD 2018 software.
B. Produce Civil engineering drawings.
C. Develop Skills using Civil Engineer Measurements
D. Apply Skills using Civil Scales
E. Develop advanced skills in layer management, dimensioning, and drawing setup

Course Outline: On separate spreadsheet file

Instructor Attendance Policy:
Students are expected to monitor their own attendance in class throughout the semester. 
**Announcements online are spaced two per week to mirror a normal face to face to class.** Grades are determined by the completion of the given assignments.

Students must begin attendance in all classes of enrollment. No exceptions. Financial Aid will not be granted to students who have been certified as not attending, by the certification date. For this lecture course, your physical participation in class, on or before the certification date will allow you to receive credit for FA purposes. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses.

Certification Procedures:
After the online student reads this syllabus he or she must take the syllabus assessment located in “Course Information” on eCampus. This must be done prior to January 29, 2018. If not, the student will be reported as “non attended” to the district.

Grading Scale:

<table>
<thead>
<tr>
<th>Component</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Drawings</td>
<td>20%</td>
</tr>
<tr>
<td>Chapter Questions</td>
<td>80%</td>
</tr>
</tbody>
</table>

100%

Evaluation Procedures:

**Drawing Due Date:**
Drawings will be due 1 week after the assignment is given.  
The student will have 2 weeks to correct the drawing and resubmit it for a maximum score of 90.  
Drawings turned in late will be penalized 10 points and will not be eligible to be resubmitted.

**Drawing Deadline:**
After 1 week past the due date the assignment will not be accepted and the student will receive a grade of zero.

**Grading percentages and the final letter grade will be as follows:**

- 90% - 100% = A
- 80% - 89% = B
- 70% - 79% = C
- 60% - 69% = D
- < = 59% = F
Laboratory Policies:

Students taking distance learning classes may use the CAD Lab at MVC to do their work if they choose to do so. Open Hours are posted in the Lab. To use the lab during class meeting times at night and Saturdays obtain permission from the instructor conducting class. The last lab day of the semester is May 10, 2018. The CAD Lab will close at 12 Noon on that day. No assignments or projects will be accepted after this date and time.

Rules & Regulations

Students who use the CAD Lab must comply with these rules.
There is No Food, No Drinks, No Children, and Cell phones silenced in the CAD Lab or Lecture Lab. All cell phones should be silenced prior to entering the class. If your cell phone goes off, or if you bring food, drink, or children into the lab, you will be asked to leave for that day.

Students who have disruptive behaviors will be expelled from the classroom.

Withdrawal Policy:

If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar's Office by April 12, 2018. Failure to do so will result in your receiving a performance grade, usually an "F."

If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a "W" (Withdraw) in each class dropped.

Students often drop courses when help is available that would enable them to continue. I hope that you will discuss your plans with me if you feel the need to withdraw.

Academic Dishonesty:

Students that caught plagiarizing an assignment will be subject to an “F” in the course and possible expulsion from the college.

Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at https://www1.dcccd.edu/catalog/ss/code.cfm.

Institution Policies: Please visit www.mountainviewcollege.edu/syllabipolicies for a complete list of institutional policies (Stop Before You Drop; Withdrawal Policy; Repeating a Course; Financial Aid; Academic Dishonesty; Americans with Disabilities Act Statement; Religious Holidays; and Campus Emergency Operation Plan and Contingency Plan).
