Stop Before you Drop
Under a Texas law (TEC Section 51.907), if you drop too many classes without having an acceptable reason, your GPA could be affected. Be sure you understand how this law may affect you before you drop a class.

The law applies to students who enroll in a Texas public institution of higher education (including the colleges of DCCCD) for the first time in fall 2007 or later. Under this law, you may not drop more than six classes without an acceptable reason during your entire undergraduate career without penalty. For more information, please see our catalog or read Facts About Dropping Classes.

If you drop or withdraw before the official drop/withdrawal deadline, you will receive a grade of W (Withdraw) in each class dropped until the seventh unacceptable drop. You will earn a grade of WF for the seventh unacceptable drop, and each unacceptable drop after that. A grade of WF will be calculated in your GPA as an F.

The deadline for receiving a W is indicated on the academic calendar and the current class schedule.

For more information, you may access: http://www.dcccd.edu/Why/Reg/Registration/Pages/DropWithdraw.aspx

The Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class may not be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the fall 2002 semester. More information is available at: http://www.dcccd.edu/PC/Cost/3rdCrseAttmpt/Pages/default.aspx

Attendance Policy
In general, daily class attendance enhances student achievement of an A, B or C in the course. Students should advise instructors of illness, work or family situations that may require absence from a class. You are expected to attend each class meeting of this course. Due to the lab nature of this course lab grade will be reduced by 6% for each absence in excess of three. Being tardy or leaving early will count as 1/4 of one absence each.

Financial Aid Certification of Attendance
You must attend and participate in your on-campus or online course(s) in order to receive federal financial aid. Your instructor is required by law to validate your attendance in your on-campus or online course in order for you to receive financial aid. You must participate in an academic related activity pertaining to the course such as not limited to the following examples: initiating contact with your instructor to ask a question about the academic subject studied in the course; submitting an academic assignment; taking an exam; completing an interactive tutorial; participating in computer-assisted instruction; attending a study group that is assigned by the instructor; or participating in an online discussion about academic matters relating to the course. In an online class, simply logging in is not sufficient by itself to demonstrate academic attendance. You must demonstrate that you are participating in your online course and are engaged in an academically related activity such as in the examples described above.

Classroom Policies
Testing Policy: Students are expected to take tests on the day and at the time the tests is given. Unexcused absence on test day will result in grade reduction as follows: 10 points = for the 1st Day 20 points = for the 2nd Day 30 points = for the 3rd Day All testing will be considered complete three class days after the day of the test.

Academic Advising

Academic Advising is a collaborative educational process whereby students and their advisors are partners in meeting the students' academic, personal, and career goals. This partnership is a process that is built over the student’s entire educational career at Cedar Valley College.

We encourage you to meet with an advisor early during registration so you will have plenty of time to plan a schedule that works for you. Academic Advisors are located in building “L”, and can be reached at (972) 860-0806.

Educational planning is available to all students. First time in college students must meet with academic advisors prior to enrolling in classes; however, continuing students may choose to see faculty advisors, faculty counselors, and/or program coordinators after classes begin. All parties have clear responsibilities for ensuring a successful partnership. For more information, you may access: https://www.cedarvalleycollege.edu/FutureStudents/StudentServices/AcademicAdvising/Pictures/AdvisingSyllabus.pdf

Academic Honesty

Academic honesty is expected, and integrity is valued in the Dallas County Community College District. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. See Also Student Code of Conduct. https://www1.dcccd.edu/catalog/ss/code.cfm?loc=CVC

Academic dishonesty includes, but is not limited to, cheating on tests, plagiarism and collusion. Cheating includes copying from another student’s test or homework paper, using materials not authorized, collaborating with or seeking aid from another student during a test, knowingly using, buying, selling, stealing, or soliciting the contents of an un-administered test, and substituting for another person to take a test. Plagiarism is the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own written work. Collusion is the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. Academic dishonesty is a serious offense in college. You can be given a failing grade on an assignment or test, can be failed for the class, or you can even be suspended from college.

In any written paper, you are guilty of the academic offense known as plagiarism if you partially or entirely copy the author’s sentences, words. For such an offense, a student will receive a zero (0) on the assignment and can receive an F for the course. You cannot mix the author’s words with your own or “plug” your synonyms into the author’s sentence structure. To prevent unintentional borrowing, resist the temptation to look at the source as you write. The author’s words, phrases, sentences must be put in your words, in your way of writing. When you do this, you are demonstrating the ability of understanding and comprehension. If you summarize, paraphrase or directly quote from an author, you must use the appropriate documentation because the ‘idea(s)’ still belong to the author.

Please be advised that academic dishonesty and plagiarism are serious issues that may result in serious consequences. Students should be aware that they are responsible for their behavior concerning these issues. This class will adhere to the student’s “Responsibility” as detailed in the DCCCD district-wide statement and the Richland College Student Code of Conduct explained in the Richland College and district catalogs or on-line at the district website (https://www1dccc.edu/cat0608/ss/code.cfm).

Consequences for Academic Dishonesty and/or Plagiarism: Any student in this English 1301 class found guilty of cheating on an examination or of Plagiarism (using the definitions given for both terms in the attached document, student “Responsibility”) will receive one or more of the following penalties:

- The grade of zero (0) on that particular assignment.
- A course grade of F (depending on the severity of the student’s dishonesty or plagiarism).
- The professor may request that the student drop the class.
