Students are expected to attend regularly all classes in which they have enrolled. Students have the responsibility to attend class and to consult with the instructor when an absence occurs.

Instructors are responsible for describing class attendance policy and procedures to all students enrolled in their classes. If a student is unable to complete a course (or courses) in which he/she is registered, it is the student’s responsibility to withdraw from the course by the appropriate date. (The date is published in the academic
calendar for each year.) If the student does not withdraw, he/she will receive a performance grade, usually an F.

**Grading Scale**
The final grade for this course is determined by a simple average of the grades awarded to the Chapter exercises (including the final exam in the course—see instructions for the Exam on the website).

*Note: Late work will be penalized ten points subtracted from the assigned grade on the assignment.*

**Withdrawal Policy**

**STOP BEFORE YOU DROP**

For students who enrolled in college level courses for the first time in the fall 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a “W.” Therefore, please exercise caution when dropping courses in any Texas public institutions of higher learning, including all of the Dallas County Community Colleges. For more information, you may access [https://www1.dcccd.edu/coursedrops](https://www1.dcccd.edu/coursedrops).

To drop a class or withdraw from the College, students must obtain a drop or withdrawal form and follow the prescribed procedure. Should circumstances prevent a student from appearing in person to withdraw from the College, the student may withdraw by mail by writing to the Registrar. No drop or withdrawal requests are accepted by telephone. Students who drop a class or withdraw from the College before the semester deadline receive a “Withdraw” in each class dropped.

**Semester Drop Date**

*The deadline for withdrawal with a “W” this semester is May 26, 2018.*

**Withdrawal Policy (with drop date):**

If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by May 26, 2018. Failure to do so will result in your receiving a performance grade, usually an "F."

If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a "W" (Withdraw) in each class dropped.

**Repeating This Course:**

Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class **may not** be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 semester. More information is available at: [https://www1.dcccd.edu/cat0506/ss/oep/third_attempt.cfm](https://www1.dcccd.edu/cat0506/ss/oep/third_attempt.cfm).
Financial Aid:
If you are receiving financial aid grants or loans, you must begin attendance in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.

The Texas Success Initiative (TSI)
The Texas Success Initiative (TSI) is a statewide program designed to ensure that students enrolled in Texas public colleges and universities have the basic academic skills needed to be successful in college-level course work. The TSI requires assessment, remediation (if necessary), and advising of students who attend a public college or university in the state of Texas. The program assesses a student's basic academic skills in reading, writing, and math. Passing the assessment is a prerequisite for enrollment in many college level classes. Students who do not meet assessment standards may complete prerequisite requirements by taking developmental courses in the deficient area and passing them with a grade of C or higher. Additional information is available at [https://www1.dcccd.edu/cat0506/admiss/tsi_requirements.cfm](https://www1.dcccd.edu/cat0506/admiss/tsi_requirements.cfm).

Academic Honesty:
Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. Plagiarism—the intentional copying of any or all information—not your own without appropriate citation and documentation will result in an automatic “0” on the assignment. A report will be filed with the Dean of Communications and Social Sciences.

As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at [https://www1.dcccd.edu/cat0406/ss/code.cfm](https://www1.dcccd.edu/cat0406/ss/code.cfm).

ADA Statement:
If you are a student with a disability and/or special needs who requires accommodations, please contact the college Disability Services Office.

Religious Holidays:
Absences for observance of a religious holy day are excused. A student whose absence is excused to observe a religious holy day is allowed to take a make-up examination or complete an assignment within a reasonable time after the absence.

Disclaimer Reserving Right to Change Syllabus:
The instructor reserves the right to amend this syllabus as necessary.

Inclement Weather Statement:
In the event there is inclement weather that affects regular scheduled classes and events on the Mountain View campus, the Dallas County Community College District
and Mountain View College web pages will display a notification of any closings or delays. **If there is no notice of changes or delays, then classes are in session as usual.** You also may refer to announcements on major television and radio stations in the event that the DCCCD or Mountain View College Internet sites cannot be accessed.
