**Description of Graded Work**

**Exams**
Student evaluation will be accomplished by four (4) exams, the last of which will be given at the time scheduled for the final exam. The final exam will not be comprehensive of the semester studies.

The tests may be composed of multiple-choice, true-false questions and/or an essay question(s). Before each exam the student will be provided with a study guide containing a list of identification and essay questions.

The tests will be derived from class lectures, the textbook and audio-visual materials.

Four blue books (test booklets) and four Apperson scantron cards are required for test purposes. They may be purchased in the college bookstore.

The grading scale for individual exams is 90-100, A; 80-89, B; 70-79, C; 60-69, D; and anything below 60, F.

In answering the test essay question(s) on exams, the student must include as much pertinent information as possible, demonstrating how and why that information applies to the essay question, and using as many examples as possible to substantiate the answers.

**Primary Document Assessment Paper**
In addition, each student will be required to submit a paper assessing select primary documents. The Primary Document Assessment paper will be worth 100 points. Submission of the paper is mandatory and will be counted towards the semester point total.

**Quizzes**
Pop-quizzes will be given randomly. The pop-quiz will be unannounced. The pop-quiz score will be worth 10 points to be added to each exam score. There will be no make-up of pop quizzes.
Extra Credit
Extra credit assignments will be given at the instructor’s discretion during the semester and are due on the date assigned. Extra assignments will include historical readings and/or reports on historical movies/documentaries as well as special events. Extra credit assignment points will be added to the grade score for the exam period submitted.

Tutoring sessions can be taken for extra credit. Five points will be given for each session taken. Must have signed attendance slip.

A total of 10 points of extra credit can be earned per exam.

Attendance and Your Final Grade
Attendance will be taken each class meeting. In the event of a borderline grade at the end of the semester, a consistent attendance record may be used to determine the final grade.

Punctual attendance is expected and students should be to class on time. No food is allowed in the classroom. Laptops are allowed/recording devices are allowed. Cell phones are not to be used during class.

Late Work Policy
A make-up exam is only available to students who can provide documented proof of a serious illness/injury or death in the immediate family. The student will be allowed to make up only one exam. No make-up exam will be given for the final exam.
