**Eastfield College Email Policy**

For information on setting up a DCCCD student email account go to: [https://www.eastfieldcollege.edu/services/onlineservices/email-ms-office/pages/default.aspx](https://www.eastfieldcollege.edu/services/onlineservices/email-ms-office/pages/default.aspx).

**Financial Aid Statement**

Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

**Financial Aid Statement for Distance Learning Classes**

If you are receiving Financial Aid grants or loans and are enrolled in a Distance Learning class, you must show participation in this class prior to the certification date by either e-mailing or contacting the instructor or logging on to eCampus. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds.

**Food and Drink Policy**

Food, drinks, and tobacco products are prohibited in Eastfield College classrooms.

If you are teaching in a non-lab classroom, you may allow for food and drink, but you must comply with college requirement of a statement of responsibility from each student.

**Family Educational Rights and Privacy Act of 1974 (FERPA)**

In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), the College may release information classified as “directory information” to the general public without the written consent of the student. Directory information includes: (1) student name, (2) student address, (3) telephone numbers, (4) date and place of birth, (5) weight and height of members of athletic teams, (6) participation in officially recognized activities and sports, (7) dates of attendance, (8) educational institution most recently attended, and (9) other similar information, including major field of student and degrees and awards received. Students may protect their directory information at any time during the academic year. If no request is filed, directory information is released upon written inquiry. No telephone inquiries are acknowledged. No transcript or academic record is released without written consent from the student, except as specified by law.

**Children on Campus**

The institution strives to protect an environment most conducive to teaching and learning for all enrolled students. Children who are taking part in organized scheduled activities or who are enrolled in specific classes are welcomed. Minor children, however, should not be brought to the institution.
unless closely supervised by their parent. Minor children should not be brought into classrooms, laboratories or other facilities of the college. This practice is disruptive to the learning process. In the case of an emergency where the student-parent has no alternative but to bring the child to campus, classroom faculty or the administrative heads of other units have full discretion as to whether a child may be allowed to quietly stay in the location. These individuals may require that children be removed by the student-parent from the setting if, in their opinion, the presence of the child is deemed to be disruptive to the learning process. For reasons of security and child welfare the institution will not permit unattended children to be left anywhere on the premises. Parents who have problems with childcare should visit the Counseling and/or Advisement Center to receive referrals to childcare services in the area.

Classroom Etiquette

It is expected that each student will respect every other student in the class. By this statement it is expected of each student to be cognizant of other students’ desire to learn and do nothing that will divert attention from this goal. Late arrivals to class will get to their seat in the least disruptive fashion possible. Continual tardiness will be dealt with on an as-needed basis. Basic rules of courtesy will be observed (no talking while others are talking, each student will wait his or her turn to be recognized). The Eastfield college policy is that no food or drinks are allowed in the classroom. Exceptions to this policy are at the discretion of the instructor. Cell phones, PDAs, laptops, and desktop computers should not be used during class time except as needed for instructional purposes. Please silence all cell phones, PDA’s and iPod’s during class sessions. If you are late to class, please come in quietly and take your seat. Do not make a habit of arriving late since this can be distracting to other students. If you must leave early, please let the instructor know prior to class. Excessive tardiness or leaving early may affect your final grade since class participation is important.
