**ATTENDANCE POLICY**

Students are expected to attend by participating in course weekly discussions and accessing the course 5-6 times a week.

**LATE WORK POLICY**

The student is expected to keep current with the course assignments. For extenuating reasons, you may request by email to your instructor to make up assignments. The instructor reserves that right to approve or not approve your request. Medical emergencies with documentation or deaths in immediate family with documentation are considered to be extenuating.

**ACADEMIC INTEGRITY POLICY**

Students are expected to complete their own work. Copying work from others, or, from other sources is not allowed for assignments and exams. You should be putting the information you read into your own words. Please use in-text citations and reference your sources at the end of any academic assignment. For information on how to use citations/references please refer the *Purdue Owl*. This class uses APA formatting. Use the following link for tutorial help on APA format.

https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_for_mat.html

Your instructor reserves the right to deduct points from any assignment if citations/references are not used (or used correctly).

Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct and includes, but is not limited to, cheating on a test, plagiarism, and collusion. Violations can result in “F” assignment or course grades. Your instructor reserves that right to make this decision (sometimes with the advice of the discipline coordinator and/or the division dean).

**OTHER POLICIES – Class Etiquette and Student Code of Conduct**

In your written work, please use academic language (no slang or swear words). Use correct grammar and punctuation. In class, be respectful of others’ ideas and disagree after first considering their point-of-view or by having reasons why you disagree.

Writing whether by email or class assignment needs to use college level writing. No text writing such as lowercase “i” instead of “I”.

When emailing your instructor please use the course title and section number in the heading. (Psy2314-38430) Please include your full name in your email as well.

As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at: https://www1.dcccd.edu/catalog/ss/code.cfm?loc=CVC

FINANCIAL AID

Students who are receiving any form of financial aid should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

STOP BEFORE YOU DROP

For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop.

You may drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions.

Remember that once you have accumulated six non-exempt drops, you cannot drop any other courses with a “W”. Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access: http://www.dcccd.edu/Why/Reg/Registration/Pages/default.aspx

WITHDRAWAL POLICY (Withdrawal date is stated on page one)

If you are unable to complete this course, it is your responsibility to formally withdraw. The withdrawal request must be received in the Registrar's Office by the date your registration receipt. Failure to do so will result in your receiving a performance grade, usually an “F.” If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (Withdraw) in each class dropped. See institutional policies for additional information on withdrawals. It is always a good idea to check with your instructor if you are in a quandary about whether to drop or not. I will be happy to discuss your situation with you if needed.

REPEATING THE COURSE

Effective for Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. This class may not be repeated for the third or subsequent time without paying the additional tuition. Third attempts include courses taken at any of the Dallas County Community Colleges since the fall 2002 semester.
