Course Structure
This course will demand that you use your time efficiently and learn to be productive in a busy studio environment. Class time will be used for demonstrations, critiques, and scheduled work time as laid out in the calendar. I recommend using class time to print whenever possible since you will have my technical assistance then. The last 15 minutes of each class will be reserved for a mandatory studio cleaning time.

Textbook
No textbook is required for this course, but all students will be required to keep a sketchbook. Students will keep a Notebook/Sketchbook to take extensive notes on demonstrations, discussions, and critiques to document their creative development. I will require each student to plan out their print in their sketchbook, before moving to the print matrix.

We will discuss a supply list on the first day of class, but I do want you to have a sketchbook on the first day of class.

Grading / Course Requirements

The points breakdown for each project is:

Obtaining Final Course Grades Using eConnect:
Final grades will be made available online at www.econnect.dcccd.edu or by telephone at 972-613-1818. Use your student id when you log onto eConnect, an online system developed by DCCCD to provide you with timely information regarding your college record. Your grades will also be printed on your Student Advising Report, which is available in the Admissions and Student Records Office, T170.

Attendance:
DO NOT MISS CLASS. If you are not in attendance, you cannot participate.
If absent, you are responsible for all missed class work and information, and for returning to the next class prepared.

Any unexcused absences will reduce your critique/participation grade for that project grading period.
Three unexcused absences will reduce your final SEMESTER GRADE by one full letter.

PUNCTUALITY IS IMPORTANT.
I make my most important demonstrations, and announcements at the START & END of each class period.
If you walk in late, it is your responsibility to make sure you are not marked absent.

Three times (3) tardy is equal to one (1) unexcused absence.
Arriving to class more than 15 minutes late or Leaving class early will count as an unexcused absence.

Last day to Withdraw: 04/17/2019

Critique & Class Participation Contribution
With each project, you will earn 10 points towards your project grade reflecting your participation in class AND critique.
Full Class Participation means:
Comming to class prepared to work.
Having spent time outside of class researching ideas, planning imagery, and drawing.
Having all needed course materials in class.
Paying close attention and writing good notes during class discussions or demonstrations.
Using class time productively to make clear progress on projects.
Cleaning up after oneself.

On Critique Day…
Please prepare your work before class begins so that we have enough time to critique your work. Hang your work in the best way possible so that we can focus on the artwork. Do not pierce the paper of the print with pins! Pinch it against the wall or use clips. Each project is due on the day of critique. Coming to critique without new work will earn an F for the project grade. Coming to critique with a project that is incomplete will earn a critique grade no better than a C. Be prepared to speak clearly about your work or prepare a statement to read. Write good notes during critique on anything that may be relevant to your work. Be prepared to defend, respond to, or contribute to criticism about your work. You will be graded on how you contribute to the discussion of your peer’s work in group critique.
