3. Completion (10%)
4. Project on time (10%)
Rubric is subject to change according to assignment.
Projects made be re-made and assigned a new grade.

Late assignments will be accepted but 10 points will be deducted from the project grade.

A= Excellent work: Requirements for the course have been more than fulfilled and the art work has been developed beyond previous levels. The work must show excellent intellectual skills and concepts, technical skills, and control of the medium.
B= Very good work: The art work and the student’s class participation shows competence in skill development, craft, and control of the medium with an understanding of conceptual concerns in the context of ceramics.
C= Average work: Requirements for the course have been fulfilled adequately with satisfactory work quality. Class participation is adequate.
D= Poor work: Requirements for the course are not adequately fulfilled.
F= Failure: No attempt has been made to fulfill requirements for the course.

A= 90-100     B=80-89     C=70-79     D=60-69     F= 59 and below
Extra credit is available. Ask instructor for details.

ATTENDANCE/PARTICIPATION

**BROOKHAVEN COLLEGE WILL ONLY FIRE WORK THAT IS DIRECTLY TIED TO ASSIGNMENTS OR INSTRUCTOR APPROVED.**

Note the following:
1. Students are expected to follow the Code of Conduct as published in the Student Handbook.
2. Theft of other students' projects, school equipment, or tampering with school equipment or supplies will result in expulsion and possible charges.
3. Cell phones are only allowed for class related work.
4. Do not move or touch another student's work without their permission. Ask the instructor if you need help.

THE INSTRUCTOR HAS THE RIGHT TO ADD TO, DELETE, OR REVISE SEGMENTS OF THE COURSE OR SYLLABUS.

NOTICE OF POTENTIAL DANGER

The construction and execution of some projects will require the use of power equipment and hand tools. Students will be instructed in the safe operation and utilization of these tools. However, the students should be aware that these tools can be dangerous. Therefore, although all reasonable and prudent precautions will be taken to insure that the tools, equipment, and work environment reflect the College's concern for student safety, each student is ultimately responsible for the safe operation of the power equipment and hand tools that he/she uses. Students who are unable or unwilling to accept this responsibility are strongly encouraged not to take this course. Students with special concerns or needs regarding the operation of power equipment and hand tools should contact the instructor.

COURSE SAFETY POLICIES:

All students are to function in a safety oriented manner while working at Brookhaven College. This includes:

1. Safety glasses or other eye protection used at all times with power tools
2. Dusk mask or respirator when working with dry materials
3. Latex gloves to protect skin as needed
4. Proper dress for protection
5. Students must only use the equipment when mentally and physically well.
   Students must NOT use the equipment at Brookhaven College when:
   a. They are under the influence of drugs – illegal or legal (cold medicine or other prescription medication, as they can dull your senses)
   b. They are emotionally distraught
   c. They are physically impaired (broken leg, etc.)

Any questions concerning this must be answered by the instructor, and only the instructor. The instructor reserves the right to pass judgment on the students' condition at all times.
Equipment which is broken or seems to be faulty must not be used. Report all such conditions to the instructor immediately. Equipment must be used only for the purpose for which it was designed.
