Photography Department Supplemental Course Description and Overview:
The purpose of this course is to enable students to have a working understanding of the practice of photography using digital technology as a background. This is an entry level course and no previous experience in photography or digital technology is necessary, although it may be helpful. Students will explore the creative and technical aspects involved in the making, understanding, and looking at photographic images.
This course will familiarize students with the digital aspects of photography, with the goals of extending the student's visual literacy, and developing their own vision.

This course combines practical instruction, readings, regular shooting assignments, group discussions, individual reviews and group reviews.

It is our hope to foster a critical awareness of how images are made, processed, presented and read. In addition, a practical instruction in compositional aesthetics, digital imaging, fundamentals of camera operation, lighting, exposure, and output will be explored.

In face-to-face classes, field trips and presentations by working professionals will be incorporated into the semester.

The course will cover the following topics:
- Becoming familiar with hardware and software involved in digital photography
- Shooting and printing photographs
- Emphasis on the visualization of B&W photography
- Developing one's own vision, and extending the visual vocabulary
- Understanding the development and use of photography in society
- Editing and presenting work; Portfolio Development
- Learning and practicing the critique as a constructive process

**Required Lab:**
Students are required to spend at least 2 extra hour(s) per week outside of class working on student projects.

This course contains lecture and lab components, both held during the posted class times. Students may need to put in additional time in the Multimedia Learning Center to complete assignments.

Should a student need a computer, the Photography Lab, T249, and the Multimedia lab, T246, have computers available.

**Lab Hours:**
The Photography Lab is located in Thunderduck Hall, T249. See schedule on door for days / times.

The Multimedia Learning Center (972-238-6001) is located in Thunderduck Hall, T246 and is for all currently enrolled Multimedia, Photography and Game students to use for Multimedia, Photography and Game class work and projects.

Lab assistants and faculty are usually in the lab to answer questions, however tutoring is not available in the lab.

For the current lab hours, go to [https://richlandcollege.edu/ebt/multimedia/lab-info/](https://richlandcollege.edu/ebt/multimedia/lab-info/) and go to the bottom of the page.

The other campus computer lab for credit student use is Del Rio, D229.

Grading Description:

(25%) The satisfactory completion of a series of visual assignments. These assignments are due periodically during the semester and represent a variety of approaches to the medium. Assignments turned in late will be dropped one letter grade.

(10%) Regular attendance for lectures, demonstrations, slide presentations, critiques, and lab sessions is mandatory. This is an experience class and growth comes only from continued and active participation. Roll is taken at the beginning of each class and an excess of 3 absences or tardies will affect the final grade. If you are absent from a class, refer to the Photo Class Contact List to contact a classmate to find out what you’ve missed.

(10%) Participation
Willingness to participate in class discussions. This includes preparation, both in terms of projects and reading assignments by due dates. The amount of energy and enthusiasm you contribute to the sessions, as well as your analysis and constructive opinions during critiques, are vital to the class and highly noted.

Participation in any special photographic event that may take place during the semester.

All students enrolled in this class are eligible to enter the Student Photo/Imaging Exhibition during the Spring Semester of this school year. Student’s who are enrolled in the Spring Semester MUST enter at least one photograph in the exhibition.

(10%) Visual Presentation
This will include thoughts and impressions of your photographic experiences related to assignments. Technical information is accepted, but NOT exclusively
Exams and Quizzes
The Exam will consist of questions from a variety of subjects in class, so take good notes! Quizzes are given to help reinforce specific information and may not always be announced. Missed quizzes can only be made-up 1/2 hour before the next class begins.

Final Portfolio Review
The portfolio consists of 10 of your most creative edited images from the semester mounted onto board.

In Lieu of a final exam, a final portfolio is submitted.

PLEASE NOTE! Grade reports are no longer mailed. Convenient access is available online or by telephone. Use your student identification number when you log in to eConnect or call Touch Tone Services. Web Site address: http://econnect.dcccd.edu Telephone number: 972-613-1818.

**Classroom Policies:**
Please read the following classroom policies listed below.

**Attendance Policy:**
In order to be successful, students must attend and participate in enrolled courses.

While Richland College does not have a formal attendance policy, students are expected to attend class regularly. If you know you will be missing classes this semester, please speak to your instructor about days you will be missing so you can receive information on the missed lessons and assignments.

If you are unable to attend class, please email the instructor or leave a message for the instructor at the ACCESS Office at (972) 238-6140 BEFORE THE CLASS BEGINS.

It is imperative students arrive to class on time and remain in class the entire session each week.

**Food and Drink Policy:**
Except where otherwise determined by a faculty member, no eating or drinking is allowed in the classroom.

**Computer/Internet Use Policy:**
Currently enrolled Richland College Multimedia, Game, and Photography students have access to the Multimedia Lab and classroom computers for Multimedia/Game/Photography educational and instructional purposes only.

Please use the Del Rio Computer Lab (D229) for other school-related assignments and non-Multimedia/Game/Photography activities.

Students using their own laptops must use the wireless connection in the Thunderduck Hall building and **cannot** use the Multimedia lab and classroom computer data lines to access the Internet.

You are required to show your Richland Student ID when requested by lab personnel. You are expected to follow lab policies as well as the [Student Code of Conduct](http://www.richlandcollege.edu/conduct/) specified in the catalog. If the link does not work for you (ie: you have a hard copy of the syllabus), copy/type this url into your browser window:

http://www.richlandcollege.edu/conduct/

**Safety Policy:**
Students should participate in this class in a safe, appropriate manner. We occasionally have to step over cords for the multimedia cart and/or computer equipment. We also need to watch out for boxes and paper, students’ backpacks, etc. Students should begin to build good computing habits, designed to prevent eyestrain, carpal tunnel syndrome, etc.

**Handheld Devices Policy:**
Please turn OFF all electronic devices during class.

**Participation Policy:**
Course participation is required. Ask questions and be involved with the lesson.

Students should not surf the Net, play games, send emails or work on unrelated homework/projects during class. Students should not disturb your neighbors during lectures and demos.

**End of Each Class Policy (for face-to-face classes):**
When you leave class for the day, please...

1. Delete all your files from your workstation and empty the trash.
2. Shut down your computer using Windows Shut Down.
3. Turn off your monitor after computer has COMPLETELY shut down.
4. Pick up and throw away any trash around your seat.

**Attention Continuing Education Students:**
To receive a certificate for this course, you must make a grade of "C" or higher as a final grade. A grade average of 69% or lower is failing.

Continuing Education will not mail your certificate to you. If you do not receive your certificate the last day of class you will have to pick up your certificate at the Continuing Education Front Desk, T160.
