Student Learning Outcomes

After successful completion of this course the student should be able to:

1. Identify elements of art and principles of organization related to their own work and works of others.
2. Demonstrate craftsmanship in their art works.
3. Create art works to reflect introductory competency with specific media skills, techniques and studio practices.

Texas Core Objectives

The College defines essential knowledge and skills that students need to develop during their college experience. These general education competencies parallel the Texas Core Objectives for Student Learning. In this course, the activities you engage in will give you the opportunity to practice two or more of the following core competencies:

1. **Critical Thinking Skills** - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. **Communication Skills** - to include effective development, interpretation, and expression of ideas through written, oral, and visual communication
3. **Empirical and Quantitative Skills** - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
4. **Teamwork** - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
5. **Personal Responsibility** - to include the ability to connect choices, actions, and consequences to ethical decision-making
6. **Social Responsibility** - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

Attendance and Your Final Grade
Attendance is taken at the beginning of class, students will be counted absent for no shows, not bringing/forgetting supplies, three tardies (15 minutes or more) will count as one absence. Final participation grade takes into account attendance.

Late Work Policy
No late work PERIOD.
If you miss the date of a project you will receive a ZERO. If you miss a critique you will receive a ZERO.
If you have documentation of an excused absence (documentation must be presented the next class date arrival, failure to do so will automatically result in an unexcused absence, and points will be deducted from participation grade, no exceptions). Because the student is given a course calendar at the beginning of semester, with or without documentation student will not be entitled to turn in late projects. Be aware of the calendar and use it for its purpose!!! Your car breaking down doesn’t count, you oversleeping doesn’t count. Remember compensated jobs required more than just the work itself, it also involves ability to complete tasks on schedule.
