Description of Graded Work

Rubrics will be delivered with and specific to each assignment. General grading criteria include meeting deadlines, following instructions, attention to craft/presentation, and creative implementation of aesthetics, and freedom of expression.

Attendance and Your Final Grade

1. The attendance grade is based on your presence in the classroom each day.
2. Students will be allowed one absence that will not affect their grade. After one absence, they will start receiving a grade of “0” for the day. On days you come to class, you will get a 100 for the day.
3. Two tardies (more than 20 minutes late) or one "mid-class disappearance" (more than 30 minutes) equal one absence.
4. All attendance grades will be averaged for the final course grade. To avoid getting a “0” for a class period, you must be in class on time, stay until the end, participate fully in the class session, bring required art supplies and work on the class assignment for the entire class period.
5. Make-up projects will be discussed on an individual basis, if necessary. Even if you get a 0 for a class absence, you will be able to get a grade for the project you missed during that class.

**DROP/WITHDRAWAL DATES**
Spring 2020: Last day to drop with a “W” is April 16.

**Late Work Policy**
After the due date, student projects will be counted off ten points for each class day that the project is late; no exceptions are allowed, including computer technical problems.
