Description of Graded Work
Assignments will be graded based on completion, craftsmanship/execution, design, and structural integrity. Some work will be graded multiple times during the assignment. For example, the ceramic bust will be graded once as greenware and once as a finished object. If you are concerned about your grade, or your standing in the course, you should ask your instructor.

Attendance and Your Final Grade
You are expected to attend class. You will be counted present if you arrive on time, have your supplies, and are ready to work. After three absences, your grade will drop a letter grade. Three tardies equal one absence.

Late Work Policy
I do not accept late work. If you are absent on the day of the critique your work will not be graded.

Other Course Policies
Cell phones: Phones may be used only for research in class. Calls may be taken on an emergency basis only. You must immediately leave the classroom if you need to take a call.
