**FINANCIAL AID STUDENTS:**

If you are receiving Financial Aid grants or loans, you must begin attendance/participation in all classes. Do not drop or stop attending any class without consulting the Financial Aid Office. Changes in your enrollment level and failing grades may require that you repay financial aid funds. Failure to contact the Instructor will result in your name being submitted to the Financial Aid Office as a “non-attendee.” All students receiving financial aid must open an Email account through NetMail. See directions in this syllabus for opening an Email account. The account is free. You may set it up by going to www.dccc.d.edu and clicking on Student
Services, Online Services, and Student Netmail. All students receiving financial aid must open a student NetMail account.

You must attend and participate in your on-campus (lecture) or online course(s) in order to receive federal financial aid. In an online course, simply logging in is not sufficient by itself to demonstrate academic attendance.

You must demonstrate that you are participating in your online and/or lecture classes and are engaged in academically related activities such as in the examples described above. Failure to do so will prevent you from being certified and will affect your financial aid and financial aid status.

ACADEMIC HONESTY:
Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion.
As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog at http://www1.dcccd.edu/cat0506/ss/code.cfm

Students are expected to perform and take all exams without outside assistance unless authorized by the instructor in writing. Scholastic dishonesty includes, cheating, plagiarism or any attempt to receive credit for work that is not one’s own.

Academic dishonesty includes, but is not limited to, cheating on tests, plagiarism and collusion. Cheating includes copying from another student’s test or homework paper, using materials not authorized, collaborating with or seeking aid from another student during a test, knowingly using, buying, selling, sharing, stealing, or soliciting the contents of a test or an un-administered test, and substituting for another person to take a test, or having someone substitute for you to take a test, homework assignment, or submitting written reports not written by the student.

The willful giving or receiving of information unauthorized by the instructor during an exam, illicitly obtaining exam questions in advance, using someone else’s work for written assignments as if it were one’s own or any dishonest means of attempting to fulfill course assignments.

Plagiarism is the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it as one’s own written work.

This is the act of taking someone else’s words or ideas and using them as your own. I consider this cheating and academic dishonesty. You will receive a grade of zero on the assignment and/or fail the entire course, as well as, being subjected to the disciplinary actions under Academic Honesty section.

Collusion is the unauthorized collaboration with another person in preparing written work, quizzes or exams for fulfillment of course requirements. Academic dishonesty is a serious offense in college.

You may be given a failing grade on an assignment or test, may be failed for the class, or may even be suspended from college for any of the aforementioned violations.
Food, Drink, and Smoking
Food and Drink are not permitted in classrooms. Eastfield College is a smoke-free zone. There is no smoking including Vaping permitted on the college campus.

Attendance and Participation for Online Students:

There is no classroom attendance required in this online course. However, the course is set up with specific assignments and tests having due dates/times that must be met to receive credit. Failure to meet the stated deadline for any reason will result in no credit points for the assignment or test. Students failing to participate in the class may be dropped from the course.

Withdrawal Policy If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar’s Office by the listed dates (find your course schedule to determine your certification and drop dates below) Failure to do so will result in your receiving a performance grade, usually an “F” or an “N”. If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (withdraw) in each class dropped. For more information about drop deadlines, refer to the current printed Credit Class Schedule, contact the Admissions/Registrar’s Office at 860-7167 (Room C119). Please check online course site for the specific W date. See official Wintermester certification and withdrawal dates below:

- “W” DATE JANUARY 6, 2020

For more information about withdrawal deadlines, refer to the current printed Credit Class Schedule, contact the Admissions/Registrar’s Office at 972-860-7167 (Room C119).

If you drop a class via eConnect, make sure to print a copy of the confirmation and keep the copy. In the event of a discrepancy it will be the responsibility of the student to provide documentation of having dropped the class.

Stop Before You Drop For students who are enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses you may drop. You may drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you information on the allowable exceptions (it is the student's responsibility to ask the counseling/advising center) not your professor. Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other course with a “W.” Therefore, please use caution when dropping courses in any Texas public institution of higher learning, including all seven Dallas County Community Colleges. Children on Campus

The institution strives to provide an environment most conducive to teaching and learning for all enrolled students. Children who are taking part in organized scheduled activities or who are enrolled in specific classes are welcomed. Minor children, however, should not be brought to the institution unless closely supervised by their parent. Minor children should not be brought into classrooms, laboratories or other facilities of the college. This practice is disruptive to the learning process. In the case of an emergency where the student-parent has no alternative but to bring the child to campus, classroom faculty or the administrative heads of other units have full discretion as to whether a child may be allowed to quietly stay in the location. These individuals may require that children be removed by the student-parent from the setting if, in their opinion, the presence of the child is deemed to be disruptive to the learning process. For reasons of security and child welfare the institution will not permit unattended children to be left anywhere on the premises. Parents who have problems with childcare should visit the Counseling and/or Advisement Center to receive referrals to childcare services in the area.

The guidelines in this syllabus may be changed, deleted, or amended at any time by the instructor.
