Student Learning Outcomes
For additional information, see THECB Core Curriculum standards.

**Student Learning Outcomes (SLOs)** are based on the Core Objectives as indicated above. Outcomes specific to all psychology classes at El Centro College are as indicated below.

1. **Critical Thinking**: Student is able to:
   a. Ask questions leading to identifications of problems or challenges;
   b. Operationalize terms in concrete and absolute terms;
   c. Determine if what is claimed, alleged, or stated is based on valid (empirical) evidence;
   d. Investigate one's own biases and assumptions to assure they do not interfere with consideration of empirical evidence;
   e. Avoid argument by anecdote in favor of evidence-based discussion;
   f. Keep an open mind, and consider all empirical possibilities;
   g. Avoid decisions based on emotion in favor of those based on empirical sources;
   h. Acknowledge that evidence supports phenomena; it does not prove its existence.

2. **Communications Skills**: Students will communicate in both written (via homework assignments, term papers, and exams) and oral form (class discussion) with the Instructor and their classmates.

3. **Empirical/Quantitative Skills (Scientific Methodology)**: Student is able to
   a. See potential relationships among observed phenomena;
   b. Consider plausible outcomes (consequences) of observed phenomena, and offer alternative solutions;
   c. Determine if conclusions are based on anecdote or scientific evidence.

4. **Social Responsibility**: Students will demonstrate social responsibility through ethical behavior in class in terms of displaying academic integrity. Students will engage in use of digital and electronic media for submission of assignments and taking exams by performing these activities via the BlackBoard Bb 9.1™ digital platform rather than traditional pen-and-paper formats, thus lowering their carbon footprint through use of digital technology.

5. In addition to the four learning outcomes mandated for the Social Sciences by the State of Texas, the Department of Psychology at El Centro College also requires the two following student learning outcomes.

6. **Theoretical Foundations of Psychology**: Student is aware of and understands the major perspectives from which psychology is studied (Psychodynamics, Behaviorism, Biological, Neuroscience, Humanistic, Cognitive, Humanistic, and Evolutionary), and can demonstrate knowledge of each perspective.

7. **Information Literacy**: Students will demonstrate their abilities in each of the following skills.
   a. Create research strategies using online academic and professional databases;
   b. Demonstrate understanding of plagiarism through correct use of appropriate APA style references in text and on References page(s) within a research project; and
Integrate discipline specific relevant information from a variety of sources in writing homework assignments and research papers.

**Required Course Materials**

The primary textbook for this course is available online at no cost to the student through the generosity of Openstax (Rice University). Click [Psychology Textbook](#) to read the textbook online or if you prefer, the textbook can be downloaded to your computer or personal device for later viewing at the same website.

Optional (but VERY helpful) textbook:

**ADDITIONAL CLASS-SPECIFIC REQUIREMENTS**

A WORKING EMAIL ACCOUNT WHICH THE STUDENT CHECKS DAILY

The best method in which Instructors can contact students is via email. Any emergency notifications from the Instructor to the students will be via email. Students are responsible for checking the email address showing for themselves in BOTH eCampus AND eConnect to insure that the address is valid and is the one the student is currently using.

SUFFICIENT KNOWLEDGE OF Microsoft Word or a comparable word processing program to enable the student to complete assignments. If you need tutoring with word processing, the Learning Center is a useful resource for both online and on campus classes.

Note: A student of this institution is not under any obligation to purchase a textbook from a university affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

**Course Activities**

**Exams**

You will complete 3 exams. They are multiple choice. There will be 28 to 30 questions and each question is worth 4 points. Exams are timed, but you will be given ample time to complete them. If Exam 1 or 2 are missed, then Exam 3 will count twice to replace the 0. Exam 3 cannot be missed. There are no make up exams.

**Signature Pieces/APA Writing Assignment**

Over the course of the semester, you will be writing an APA style paper in which you critique a piece of research. To complete this assignment, you will do the following: 1. Use the library database Academic Search Complete to locate a psychological research article in a professional psychology related journal. 2. Create an APA Title Page, and an APA Reference
page for the article you located. 3. Write a paraphrased Summary of the Paper. 4. Create the paper’s Introduction section, and 5. Put the sections together, and critique the original article, add an abstract and submit the APA Critique. This is a departmental required assignment.

Participation Policy

Attendance is required. It is also required that you be on-time. If you are going to be tardy, please notify me ahead of time. If you show up late, sit in the back of the room. Since this class meets only once/week, if you miss class more than once, it will negatively impact your grade by up to one letter grade per additional absence.

You must show participation (certify) in this class prior to the certification date, the first week by completing the Myers-Briggs assignment.

Late Work

Late work is not accepted. You are notified of all assignments weeks ahead of time and should complete them early. Do not wait until the last minute, and make sure you understand the instructions BEFORE the due date. Under no circumstances will I accept late papers (aside from death/hospitalization). DO NOT EMAIL ME YOUR LATE WORK.

Incompletes

An incomplete grade of "I" may be given when an unforeseen emergency prevents you from completing the work for this class. Make contact with the instructor immediately if there is a situation preventing you finishing the course. I only give Incompletes in highly extraordinary situations.
Code of Student Conduct: Scholastic Dishonesty
Every student should know his or her responsibility as a member of the DCCCD community. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the Code of Student Conduct. Following are the specific penalties for scholastic dishonesty (see Code of Student Conduct, Definitions, Prohibited Behaviors, #10) within this course:

- First instance, grade of zero for the specific assignment and/or essay exam question/s
- Second instance, grade of zero for assignment and reduction of final grade by one letter.
- Third instance, recommendation to disciplinary committee/failure of class

NOTE: The instructor reserves the right to modify any class requirements and due dates as necessary to manage and conduct this class. The intent of the instructor is to promote the best education possible within prevailing conditions affecting this class. You are responsible for contacting the instructor and seeking clarification of any requirement that is not understood in the syllabus.

Certification of Course Attendance and Participation
Student's attendance in class is certified on the “12th class day” (in a regular semester). For this semester (and section), that date will be Feb 3rd, 2020.
IMPORTANT: You must attend and participate in your on-campus and/or online course(s) in order to receive Federal Financial Aid. Your instructor is required by law to validate your attendance in your on-campus or online course in order for you to receive financial aid. You must participate in an academic related activity pertaining to your courses to include such as those indicated below but not limited solely to the following examples:

- submitting an academic assignment
- taking an exam or quiz
- attending a study group assigned by the instructor
- attend on-campus classes
- submit online course discussions in Blackboard (if required)

IMPORTANT: In an online course, simply logging in is not sufficient by itself to demonstrate academic attendance. You must demonstrate that you are participating in your class and are engaged in an academically related activity such as in the examples described above. Failure to do so will prevent you from being certified and will affect your financial aid.

Other Course Policies

Drop Date
Students sometimes drop a course when help is not available that would enable them to continue. Before you make the decision to drop this course, please contact your instructor. If you are unable to complete this course, your withdrawal request must be received in the Registrar's Office by the withdrawal date listed on the first page of this syllabus. For more information, visit the Dropping or Withdrawing from Classes webpage.

The last day to withdraw from a class with a "W" is Apr 16th, 2019 with the Registrar's Office (A130) or online. Failure to withdraw from a course will result in a performance grade (F, in more instances than not.)

Institutional Policies

Institutional Policies relating to this course can be accessed using the following link: Institutional Policies.

Stop Before You Drop
For students who enrolled in college level courses for the first time in the Sep of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than six courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions.
Remember that once you have accumulated six non-exempt drops, you cannot drop any other courses with a "W." Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access Drop Webpage.

Withdrawal Policy
If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar's Office by the official drop date for this course (see Course Drop Date mentioned earlier in this syllabus). Failure to do so will result in your receiving a performance grade, usually an “F.” If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a “W” (Withdraw) in each class dropped.

For more information about drop deadlines, refer to the current printed Credit Class Schedule, contact the Admissions office at 214-860-2484 (A169), or contact the Division Office.

Financial Aid
If you are receiving any form of financial aid, you should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

Academic Ethics
Any violation of the Student Code of Conduct (as printed in the El Centro College Catalogue) will be penalized accordingly. All matters of academic dishonesty (plagiarism, collusion, fabrication, cheating, etc.) will result in a failing grade for the assignment in question. All violations will be forwarded to the proper college authorities for review. The college may, at its discretion, impose additional penalties on the student including academic probation, suspension, or expulsion. ANY form of disruptive behavior will not be tolerated.

ADA Statement
If you are a student with a disability and/or special needs who requires accommodations, please contact the college Disability Services Office at 214.860.2411 (Voice/TTY), visit A110, or go to Disability Services.

Religious Holidays
A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence if, not later than the fifteenth day after the first day of the semester, the student notified the instructor of each class scheduled on the date that the student would be absent for a religious holy day. A “religious holy day” means a holy day observed by a religion whose places of worship are exempt from property taxation under Section 11.20, Tax Code. The notice shall be in writing and shall be delivered by the student personally to the instructor, with receipt acknowledged and dated by the instructor or by certified mail, return receipt requested, addressed to the instructor. A student who is excused under this section may not be penalized for the absence, but the instructor may appropriately respond if the student fails to complete the assignment or examination satisfactorily.
