Description of Graded Work

**Exams:** will be multiple choice and true/false valued at 100 point each plus any extra credit points I may decide to include. The exams will have a time limit of 35 minutes.

**Assessment #1 Alcohol paper:** Read an article on Alcohol and write your responses to questions asked about the article. Writing will be conducted in eCampus.

**Assessment #2 Brown Eyes/ Blue Eyes (BE/BE):** View a provided video and write your responses to questions asked about the video. Writing will be conducted in eCampus.

**Assessment #3 Critical Thinking:** Read an assigned chapter in the textbook and (1) create questions about material in the chapters and (2) supply answers to those questions. Writing will be conducted in eCampus.

**Extra Credit Paper:** A single extra credit paper may be written to enhance or supplement one's cumulative class point total. The paper must be a research paper (one using at least five [5] documented sources---internet sources are not usually acceptable unless they show a credible academic verification for the author) on a topic germane to material traditionally accepted as associated with the course. The topic must be approved by the professor in advance of submitting the work. Only papers approved by the professor will be accepted for extra credit points.

Papers should be computer generated, double spaced, with one inch margins on all four sides, a font size of 12 or 14, include a full bibliography of all sources used, and a length of no less than five full pages of textural material. Paper shall be worth up to 25 points. Papers are due no later than two weeks before the day of the final exams.
Attendance and Your Final Grade
Attendance is not required but highly advised as missing class will severely hurt your chances for a good grade.

Late Work Policy
Late work is not accepted unless a valid medical (or other) excuse is provided in writing.

Other Course Policies

TSI --- Texas Success Initiative
For information on TSI developmental course requirements: Go to: Texas Success Initiative --- TSI and look under the heading at the bottom of the page entitled: Texas Success Initiative Assessment Requirements and Course Placement Guidelines. Disruptive Behavior & Consequences: Any person whose unusual, unreasonable or unacceptable (to the professor) behavior or attitude interferes with the academic, administrative or the activities of Richland College and/or the real or virtual (online) classroom setting is a disruptive student.

Disruptive college behavior is any behavior which may result in personal or property damage and/or which possesses a threat (as assessed by the professor or other authorized college personnel) to stability and continuance of normal college or college-sponsored activities including, but not limited to:

- Non-acceptance of online etiquette norms
- Aggressive or threatening written or otherwise communicated behavior
- Chronic fabrications and deceptions
- Harassment, including personal, social, emotional, physical or sexual harassment, of an instructor, employee or other student
- Intentionally initiating a false report of fire, explosion or other emergency
- Unauthorized use, possession, or storage of a firearm while on Richland College property
- Cheating, forgery, plagiarism, unauthorized alteration, or unauthorized use of any college document or instrument or identification
- The destruction or damaging of college property or personal property of other Richland College students or personnel
• Failure to comply with the direction of college officials, including college professors, acting in performance of their duties or responsibilities

Consequences require that disruptive students will be asked to terminate their disruptive behavior or be dropped from the course and be reported to Richland College police. Failure to comply with the directions of the professor will result in the student being dropped from the course and notification sent to the Richland College Police.

Classroom Food and Drink Policy: Food and drinks should be limits to “snack” quantities and containers which require no noise to open which might distract other student’s learning and concentration.

Classroom Cell Phone Policy: Cell phones are allowed but MUST be placed on “silent” or “vibration only” mode.

College Specific Information:

Financial Aid: Failure to attend classes could result in loss of financial aid. If you are receiving any form of financial aid, you should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy

Academic Honesty: Scholastic dishonesty is a violation of the Code of Students Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion

Campus Emergency Operation Plan and Contingency Plan: Richland College and the DCCCD have developed policies and procedures for dealing with emergencies that may occur on campus.

(1) To familiarize yourself with these procedures, please take time to watch the overview video at: Campus Emergency Plan

(2) The complete Emergency Operations Plan can be viewed and printed at the following website: Complete Emergency Operations Plan.

If you have questions or concerns, please contact the Richland College Office of Emergency management. This office can be reached by phone (972-238-3794) or by e-mail at rlcoem@dccc.edu
Contingency Plan: Richland College has developed an Instructional Contingency Plan for Temporary College Closing for On-Campus Courses. Please discuss this contingency plan with your instructor. For distance learning courses, your instructor will use email to contact students in the event of extended technology downtime. To assure work in the class continues, it is important for all students to have an accurate email address recorded in both eCampus and eConnect.

Richland College's Quality Enhancement Plan - Learning to Learn: Developing Learning Power: Richland College is implementing its Quality Enhancement Plan (QEP) in select classes. The QEP provides techniques, practices, and tools to help students develop the habits, traits or behaviors needed to be effective and successful lifelong learners in college and in life. For more information on the Quality Enhancement Plan (QEP) please log onto Quality Enhancement Plan.

Academic Progress & Degree Completion: Students are encouraged to discuss academic goals and degree completion with their instructors. Degree plan advising is available throughout the semester. Information about academic advising locations at Richland is available under the "Step 6" tab at: academic advising locations.

(5) You should see a page that looks something (but not exactly) like the following:

EXAMINATIONS

Examination #1 (Brain & Behavior / Human Development) ← {Note: On the internet this line will be in BLUE}

CLICK ON THE ABOVE UNDERLINED BLUE LINK TO ACCESS THE EXAM

Dear Students,

Propriety (correctness, properness, conformity) to standards established in the normal classroom require that a limit be placed on the time one may have to take an examination.

The time limit for this exam is (before penalty points are deducted)

Because in a normal classroom the examination terminates with the end of the class hour, when that class leaves the room and another occupies it, over-running the examination time is not possible. In fairness such a limitation must be placed on online testing also. However, even though there is a thirty-five minute limit for you to take any given examination the system will not shut down or lock you out which allows
you to take as much time as you wish to finish. Anything above 45 minutes would clearly be against the spirit of the testing parameters and to assure you do not abuse this open opportunity to cheat (by taking more time than the limit) penalties shall be imposed on those who extend their examination time beyond the 35 minute limit. The following schedule of point deductions shall, therefore, apply to all examinations:

<table>
<thead>
<tr>
<th>TIME OVER-RUN IN MINUTES</th>
<th>AUTOMATIC POINT DEDUCTIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-10 minutes</td>
<td>0 points deducted</td>
</tr>
<tr>
<td>10.01 – 20 minutes</td>
<td>10 points deducted</td>
</tr>
<tr>
<td>20.01 – 30 minutes</td>
<td>30 points deducted</td>
</tr>
<tr>
<td>30.01 +</td>
<td>50 points deducted</td>
</tr>
</tbody>
</table>

By example: if you took an examination and received a grade of 86 but you took 60 minutes to complete that examination you would have overrun the limit by 25 minutes and thus be penalized 30 points and your final score would be recorded as a 56. These are non-negotiable parameters. So, when you finish an exam be sure to submit it as soon as you finish or the minutes will continue to collect and you will be penalized accordingly.
