

Curriculum Vitae

Anthony G. Frisbie
A.C.C.E.S.S. Office 972-238-6140 (adjunct faculty)
AGFrisbie@dcccd.edu

Richland College
12800 Abrams Road
Dallas, TX 75243

Education

Texas Tech University, Lubbock, TX
Ed.D. (Doctor of Education) - Instructional Design and Technology / Educational Computing

Texas Tech University, Lubbock, TX
B.F.A. (Bachelor of Fine Arts) - Communication Design (Commercial Art), Minor: Photography

Teaching Experience

Art Institute of Dallas Adjunct Instructor: July 1999 – June 2004, Instructor: July 2004 – Present
Instructor.- Graphic Design & Interactive Media Program
 Digital Media Production/ Digital Film & Video Program
 General Education Program

Dallas Community College, Richland Campus— School of Eng, Business & Technology Aug. 2007 – Present
Adjunct Professor - ARTC 1302-Digital Imaging, ARTV 1303-Basic Animation

Univ. of TX Southwestern Medical Center / Dept. Biomedical Communications 1990 – 2009
Assistant Professor – BC 5354, BC 5373, BC 5352, BC 5343, BC 5096, BC 5077, BC 5071 1990 – 2003
Adjunct Assistant Professor - BC 5071 2003 – 2009

University of North Texas / College of Education - Jan, 1998 – Jan. 2004
Adjunct Professor – CECS 5120 – Authoring Systems (Authorware and Director)

Texas Tech University / College of Education 1989 - 1990
Instructor – 2318 and 5318 General Computer Literacy

Exhibitions, Presentations, Publications and Papers (• Refereed)

Papers:

•Frisbie, A.G., Wilder, L.A., Higa-Moore, M.L. (1998). Spinning a Web Curriculum: Library Involvement in The Web Curriculum Project at UT Southwestern. A paper presented at *South Central Chapter/ Medical Library Association (SCC) Regional mtg.*, Oct. 1998. Ft. Worth, TX

I certify that statements made by me in this vitae are true, complete and correct.

- Frisbie, A.G., Sadler, J.Z., Miller,D.A.(1997). PsychAssess: A Question and Answer Program in Psychiatry. A paper presented at *South Central Chapter/ Medical Library Association (SCC) Regional meeting*, October, 1997. Albuquerque, NM
 - Cleveland, L.G., Schull, D.,Frisbie, A.G., Grushala, R., Kennerly,D. (1995). The Asthma Files: A technique for Patient Education and Research. Category: Interactive Multimedia Software/ Educ. A paper presented at *Asthma 1995: Theory to Treatment*. July 15-17, 1995 Chicago, Ill.
 - Frisbie, A.G. (1993). IVD, DVI and virtual reality, part 1. Guest editorial. *The Journal of Allied Health Education*, 22 (1), 131-138.
 - Whiteside, M.F., Klonis, L.K., Frisbie, A.G., Whiteside, A., Snell, L. (1992). CLERC: A performance support system to enhance instruction for medical students. *Journal of Medical Education Technologies*, 3 (2), 20-24.
 - Frisbie, A.G., Harless, R., Brunson G. (1991). Computer managed instruction in a large undergraduate teacher education course. *Computers in the Schools*,8 (1/2/3), 135-138.
 - Frisbie, A.G., Repman, J., Price, R.V. (1991). Establishing an electronic bulletin board system. *Educational Technology*, 31 (4), 41-43.
 - Frisbie, A.G. (1991). Using integrated software as a courseware prototyping and delivery tool. In *Society for Technology and Teacher Education : 1991 Annual*, Carey, Carey, Willis & Willis (eds.). pp. 248-252.
- Frisbie, A.G. (1989). Interactive videodisc. *Texas Business Education Association: Business Educator*, 36 (1), 7.
- Barker, B., Frisbie A.G., & Patrick K. (1989). Broadening the definition of distance education in light of the new communications technologies. *The American Journal of Distance Education*, 3 (1), 20-29.
 - Blanchard, J., Frisbie A.G., & Tullis, R. (1989). Optical technology: Better than books? *Sociological Abstracts International*.
 - Price, R.V., Patrick, K., & Frisbie, A.G. (1989). Producing interactive videodisc programs on a shoestring budget. *Ohio Media Spectrum*, 41 (1), 17-20.
 - Blanchard, J., Frisbie A.G., & Tullis, R. (1988). Optical technology: Better than books? *Journal of Reading*, 31 (8), 698-703.
 - Price, R.V., & Frisbie, A.G. (1988). The videodisc: Past, present and future. *Computers in the Schools*. 5 (1&2), 299-315.

I certify that statements made by me in this vitae are true, complete and correct.

Frisbie, A.G., & Patrick, K. (1988). Desktop publishing: The wave of the future. *Educational Resources & Techniques*, 27 (2), 14-16.

Patrick, K., & Frisbie, A.G. (1988). Reflections on our first videodisc. *Educational Resources & Techniques*, 27 (2), 8-9.

BOOKS:

Frisbie, A.G. & Johnson D.L., (1990). Using Integrated Software As Authoring Tools [Contributing Author] in Price, R.V., *Computer assisted instruction: A guide for authors*. Pacific Grove, CA:Brooks-Cole Publishing.

Willis, J., Frisbie, A.G., Frisbie, C., Brunson, G. (1987). *Desktop publishing with your IBM PC & compatible*. Tucson, AZ: Knight Ridder Press

Frisbie, A.G. (1987). Make Millions. [Review of Make Millions [Computer Program]] in Willis, J., Hovey, L., & Hovey, K., *Computer simulations: A sourcebook to learning in an electronic environment* (pp. 204-207). New York: Garland Publishing.

Frisbie, A.G. (1987). Deja Vu. [Review of Deja Vu [Computer Program]] in Willis, J., Hovey, L., & Hovey, K., *Computer simulations: A sourcebook to learning in an electronic environment* (pp. 253-255). New York: Garland Publishing.

SOFTWARE:

Kowatch, R.A., Frisbie, A.G. (1997). CD-ROM - *Psych ER:Case Studies in PsychoPathology*. University of Texas Southwestern Medical Center / Office of Continuing Education.

Frisbie, A.G., Miller D.A., Sadler J.Z. (1997). Computer program - *PsychAssess: A Self assessment program in Psycho Pathology*. University of Texas Southwestern Medical Center / Department of Psychiatry. Second year medical student curriculum material.

Kowatch, R.A., Frisbie, A.G., Miller, D.A., (1994). Computer program - *QT AMSITS Self-study material in interpreting the Mental Status Exam*. University of Texas Southwestern Medical Center / Department of Psychiatry. First year medical student curriculum material.

VIDEO:

Price, R.V., Frisbie, A.G. (1991). *Computing Technology Videodisc II*. West Publishing.

Price, R.V., Frisbie, A.G. (1989). Computing technology videodisc. *AECT Video Archives Volumn #3*. Washington, DC: Association for Educational Communications and Technology.

Price, R.V., Frisbie, A.G., Patrick, K. (1988). *Computing Technology Videodisc* project. Produced by Dr. R.V. Price.

I certify that statements made by me in this vitae are true, complete and correct.

PRESENTATIONS

QEP1003:Basics of Critical Thinking and the Curriculum. A faculty development activity sponsored by The Art Institute of Dallas Office of Faculty Development as a component of the Quality Enhancement Plan initiative. A workshop and wrap up of the essential principles of Critical Thinking according to the Paul/Elder model can be used in the Art Institute curriculum. Presented by A.G.Frisbie, EdD at the quarterly Art Institute of Dallas in-service day. Sept, 2010. Dallas, TX

Basics of Digital Photography. A faculty development activity sponsored by The Art Institute of Dallas Office of Faculty Development. An introduction to the principles and basic uses of digital photography with an emphasis on its use in an advanced art curriculum. Presented twice by A.G.Frisbie, EdD at the quarterly Art Institute of Dallas in-service day. May, 2007 and October, 2007. Dallas, TX

Introduction to Photoshop Workshop. A four-hour session introducing the basic concepts and use of the Photoshop graphics program with an emphasis on its use in an art curriculum. Presented twice by A.G.Frisbie, EdD at the annual Teen and Teacher workshops sponsored by The Art Institute of Dallas. June, 2006 and June, 2007. Dallas, TX

Spinning a Web Curriculum: Library Involvement in The Web Curriculum Project at UT Southwestern. A paper detailing the library's organizational and production role in this important collaborative campus initiative. Presented by A.G.Frisbie, EdD, L.A.Wilder, MLS, and M.L. Higa-Moore, MLS, at the South Central Chapter/ Medical Library Association (SCC) Regional meeting, October, 1998. Fort Worth, TX

Quicktime 3.0. A presentation detailing and demonstrating the new features and capabilities of this Apple Computer media tool. Presented by A.G.Frisbie, EdD, at the Biomedical Communications Association regional meeting, October, 1998. Dallas, TX

Internet Workshop. A half day workshop introducing and demonstrating the internet as a communication, work enhancement, and reference tool. Presented at the Allied Health Faculty Development Day event. November, 1997. Dallas, TX.

PsychAssess:A Question/Answer Program in Psychiatry. A paper about PsychAssess, a computer-mediated self-assessment question and answer program in basic psycho-pathology using text and digital video vignettes for second year students at UT Southwestern Medical Center. Presented by A.G. Frisbie, EdD, J. Sadler, MD, and D. Miller, PhD. South Central Chapter/ Medical Library Association (SCC) Regional Meeting, October, 1997. Albuquerque, NM

Personalized Library Navigator:A Digital Tour of the UT Southwestern Library. Shows the Library Navigator, a user-driven, non-linear, web-delivered Library tour. The tour is composed of interlinked HTML documents containing original artwork, maps, photos, Quicktime VR clips, and descriptive content about library services. Presented by Anthony G. Frisbie, EdD, Nancy Gotcher, MLS, and Mark Thacker, BS. South Central Chapter / Medical Library Association (SCC) Regional Meeting, October, 1997. Albuquerque, NM

I certify that statements made by me in this vitae are true, complete and correct.

CME Minifellowship Library Medical Informatics Presentation. An repeating presentation and demonstration of applied medical informatics as a 2-3 hour component of a week long continuing education accredited medical fellowship. The fellowship event occurred quarterly. Attending physicians receive 50 hours of CME credits for completing the event. Presented by Anthony G. Frisbie, EdD, Nancy Gotcher, MLS, January, April, July, & October, 1996-97 and ending in April of 1998. University of Texas Southwestern Medical Center Dallas, TX

PsychAssess: A Question and Answer Program in Psychiatry. A presentation and demonstration of PsychAssess, a computer-mediated self-assessment question and answer program in basic psychopathology using text and digital video vignettes for second year students at The University of Texas Southwestern Medical Center at Dallas. Presented by John Sadler, MD, Anthony G. Frisbie, EdD, and Deborah Miller, PhD. Association of Directors of Medical Student Education in Psychiatry (ADMSEP) National Meeting, June, 1997. Whistler, B.C., Canada

Personalized Library Navigator: A Digital Tour of the UT Southwestern Library. A presentation and demonstration of the Library Navigator, a user-driven, non-linear, HTML-based web delivered digital Library tour. The tour is composed of a series of interlinked HTML documents containing original artwork, maps, still photographs and Quicktime VR tour elements in addition to new descriptive content about library services. Presented by Anthony G. Frisbie, EdD, Nancy Gotcher, MLS, and Mark Thacker, BS. Medical Library Association (MLA) National Meeting, May, 1997. Seattle, WA

Let's Get Started - Surfing 101 Co-presented at the Infomart Mark Thacker, GERALYN MENY, M.D., and Anthony G. Frisbie, EdD. during the Office of Continuing Education /Alumni Affairs Office sponsored event *Enhancing your Clinical Practice Using the Computer: The Physician And The Internet.*, May, 1997. Dallas, TX

Using the Internet to access and share information with colleagues and patients. Co-presented at the Infomart Hal Unwin, M.D., Kirk Kirksey, and Anthony G. Frisbie, EdD. during the Office of Continuing Education /Alumni Affairs Office sponsored event *Enhancing your Clinical Practice Using the Computer: The Physician And TheInternet.*, May, 1997. Dallas, TX

Internet Workshop. A half day workshop introducing and demonstrating the internet as a communication, work enhancement, and reference tool. Presented at the Allied Health Faculty Development Day event. November, 1996

Dr. Freud: Case Studies in PsychoPathology. A presentation and demonstration of Dr. Freud (renamed Psych ER on the published CD, 08/97, see above), a computer-based instructional program in basic psychopathology for students in psychiatry and other non-psychiatric healthcare professionals. The CD contains the psychopathology syllabus, excerpts form the DSM-IV, and approximately 40 minutes of original digitized video of patients and attending physicians. Presented by Robert A. Kowatch, MD, Deborah Miller, PhD, and Anthony G. Frisbie, EdD. Association of Directors of Psychiatric Residency Training (ADPRT) National Meeting, January, 1996. San Francisco, CA

I certify that statements made by me in this vitae are true, complete and correct.

The Asthma Files: A technique for Patient Education and Research. Presenting an interactive multimedia software product that is used for patient education, data gathering, and research. A paper presented by Lynda Cleveland, Diane Schull, PhD, Anthony G. Frisbie, Ed.D., Rebecca Grushala, M.D., Donald Kennerly, M.D. at the national conference Asthma 1995: Theory to Treatment. July 15-17, 1995. Chicago, Ill.

Basic Statistics. A workshop introducing and demonstrating the concepts of basic statistical procedures with examples and practice in UTStat, a computer program. Presented at the Allied Health Faculty Development Day event. November, 1995

Interactive Programming. A workshop introducing and demonstrating the concepts of beginning interactive programming using Supercard, a computer authoring program. Presented at the Allied Health Faculty Development Day event. November, 1994

CLERC: A Computer-Based Performance Support System. A presentation and demonstration of CLERC, a computer-based performance support system for the third year clerkships in the department of Family Practice and Community Medicine at The University of Texas Southwestern Medical Center at Dallas. Presented by Joe Bedford, MD, Mary Whiteside, PhD, Anthony Frisbie, EdD, and Leah Klonis, MA. Association of American Medical Colleges (AAMC) National Meeting, Innovations in Medical Education (IME) exhibits. September, 1993. Washington, D.C.

Developing a Curriculum Database Management System. Dr. Anthony G. Frisbie. Showcase of Achievement Presentation, Association for Educational Communications and Technology National Conference, January, 1993. New Orleans, LA.

University of Texas Southwestern Medical Center System. A presentation and demonstration of CLERC a prototype computer-based performance support system for the third year clerkships in the department of Family Practice and Community Medicine. Presented by Drs. Joe Bedford, MD, Mary Whiteside, PhD, and Anthony Frisbie, EdD. Electronic Performance Support Systems Conference. September, 1992. Dallas, Texas.

A half-day presentation on the design and application of Computer-Assisted Instruction for medicine. Presented during a two-week workshop series for the American College of Emergency Physicians held at UT Southwestern Medical Center in October, 1991.

Using Integrated Software as a Courseware Prototyping and Delivery Tool Paper presented by Dr. Anthony G. Frisbie. Technology and Teacher Education Conference, April, 1991. East Carolina University, Greenville, NC.

Implementing a Modified PSI Model in an Undergraduate Computer Literacy Course. Dr. Anthony G. Frisbie. Showcase of Achievement Presentation, Association for Educational Communications and Technology National Conference, February, 1991. Orlando, FL.

I certify that statements made by me in this vitae are true, complete and correct.

CAI Courseware Prototyping and Design Using Microsoft Works. Dr. Anthony G. Frisbie. Showcase of Achievement Presentation, Association for Educational Communications and Technology National Conference, February, 1991. Orlando, FL.

A half-day presentation on computer applications. Presented during a two-week workshop series for the American College of Emergency Physicians held at UT Southwestern Medical Center in October, 1990.

Computer-Managed Instruction in a Large Undergraduate Teacher Education Course Paper co-presented by Dr. Anthony G. Frisbie, Roanne Harless and Dr. Gwen Brunson. Technology and Teacher Education Conference, May, 1990. East Carolina University, Greenville, NC.

Applications of Integrated Computer Software as an Instructional Delivery Medium for the Biology Curriculum. Dr. Anthony G. Frisbie and Nancy Barnett. Science Day, February, 1990. Texas Tech University, College of Education, Lubbock, TX.

Networking: People Connecting People. Dr. Barbara Hyink and Anthony G. Frisbie. Ninth Annual Texas Computer Education Association Conference, March 5-7, 1989. George E. Brown Convention Center, Houston, TX.

Microcomputer Applications to Science Instruction: Spreadsheets and Interfacing. Anthony G. Frisbie. Title II facilitators training session for the grant "Strategies for teaching life science." Earth Science presentation. August, 1988.

Microcomputer Applications to Science Instruction: Spreadsheets and Interfacing. Richard Tullis and Anthony G. Frisbie. Title II facilitators training session for the grant "Strategies for teaching life science." Life Science presentation. June, 1988.

Macroscopic Photographic Applications in the Biology Curriculum. Anthony G. Frisbie and Richard Tullis. Science Day, February, 1988. Texas Tech University, College of Education.

Microcomputer Interfacing: Connecting the Computer to the Lab. Richard Tullis and Anthony G. Frisbie. Science Day, February, 1988. Texas Tech University, College of Education, Lubbock, TX.

Producing an Interactive Videodisc on a shoestring Budget: Reflections on our First Videodisc. Dr. R.V. Price, Kenny Patrick, and Anthony G. Frisbie. Eighth Annual Texas Computer Education Association Conference, February 24-27, 1988. The Infomart, Dallas, TX.

You Bag It: Using Photography to Enhance Your Biology Curriculum (High School and College Level). Anthony G. Frisbie and Richard Tullis. Joint National Science Teacher Association Area Conference for the Advancement of Science Teaching in Texas, November 18-21, 1987. San Antonio, TX.

I certify that statements made by me in this vitae are true, complete and correct.

Relevant Work Experience

At The University of Texas Southwestern Medical Center at Dallas

5323 Harry Hines Blvd., Dallas, TX 75390

| | |
|---|-------------------------------|
| Internet Services (split from/Biomedical Art Services) Web Designer/Developer | September, 2001 – August 2002 |
| Biomedical Art Services (formerly Medical Illustration Services) Digital Media Consultant / Web Designer, | September, 1999 – August 2001 |
| Medical Library Senior Education Consultant, | August, 1996 – August, 1999 |
| Medical Library Manager, Education Consultation Services | September 1994 - July 1996 |
| Office of Medical Education Professional Staff | September 1991 - August 1994 |
| Office of Medical Education Testing and Evaluation Services Acting Director of Testing and Evaluation Services | January, 1991 - August, 1992 |
| Department of Biomedical Communications Manager - Biomedical Communications Computer Lab | August 1990 - September 1992 |

At Texas Tech University, Lubbock, TX 79409

| | |
|--|---------------------------|
| College of Education / Education Computer Center Microcomputer Center Manager / Technician II, | January 1986 - July 1990 |
| Dept. of Anatomy: Electron Microscopy Ctr / TTU Health Sciences Center Photographer II /Medical Photographer, | May 1981 - January 1986 |
| Department of Educational Media / TTU Health Sciences Center Chief Photographer / Chief Medical Photographer, | May 1977 - May 1981 |
| Medical Graphics Artist, Department of Anatomy / Texas Tech University Health Sciences Center | December 1975 - May 1977 |
| Photographic Technician, Department of Anatomy / Texas Tech University Health Sciences Center | June 1975 - December 1975 |

I certify that statements made by me in this vitae are true, complete and correct.
