Work Experience

Have worked in the construction industry for forty five years as an Estimator, Project Manager, and General Manager for General Contractors and Drywall contractor. During that time, I have spent years in estimating, quantity take-offs, scheduling, presentations, and managing multiple projects in all phases and types of construction. Served as a Chief Estimator, Senior Project Manager, and Vice President of Operations.

Teaching Experience

Taught Blueprint Reading for the AGC in 80's for about five years before North Lake opened. Have been teaching for North Lake since 2003. Have taught Blueprint Reading, Estimating, Construction Materials II, and Sustainable Building.
