

Curriculum Vitae

Charles "Chuck" W. Dale Ed.D.
Eastfield College, 3737 Motley Dr. Mesquite, TX. 75150
Work Phone Number 972-860-7670
E-mail address CDale@DCCCD.EDU

Education

Texas A & M University, Commerce, TX. Ed.D. Secondary and Higher Education

Southern Illinois University, Carbondale, Ill. M.S. Technical Education

Southeastern Oklahoma State University, Durant, Okla. B.S. Industrial Arts

Teaching Experience

Eastfield Community College, Mesquite, TX. Aug. 1970- Present

D-C Circuits, A-C Circuits, Solid State Devices, Printed Circuit Board Design, Mechatronics (Basic Mechanical), Mechatronics (Motor Controls), Basic Pneumatics, Intro. To Telecommunications, Basic Digital Fundamentals, Onsite Power Generation and renewable Energy, Research Project Design, Instructor/Department Chair.

El Centro Junior College, Dallas, TX. Tubes and Transistors, Amplifier Circuits, Basic Radio, Micro Wave , Basic Digital circuits, Instructor/ department chair Aug 1967- July 1970

Southern Illinois University, Carbondale, Ill. June 1966 - July 1967 Instructor, D-C Circuits, A-C Circuits, Basic Radio circuitry

Publications and Papers

Publications

Dale, Charles Basic Electricity and D-C Circuit Publish by Texas Instruments 1976

Dale, Charles, Practical Applications of D-C Theory Published by Texas Instruments 1976
