MATH TEACHER

August 1994 – August 1996

Learning Alternative Center for Expelled Youth (LACEY), DISD, Dallas, Texas

Worked with 7th through 12th grade students in an alternative school setting targeting expelled youth. Utilized social behavior modification methods and a flexible curriculum preparing our students for the mainstream school system. Taught and conducted student peer mediation classes, trained in conflict resolution, in charge of student programs and made motivational student presentations. Applied for and received grant for math class equipment. Developed and coordinated community outreach programs that included guest speaker series involving the local businesses and civic community in monthly student body presentations. These speakers were targeted to cultural and real life issues relating to the student body. **Teacher of the Year 1994 – 1995**

MATH TEACHER

August 1993 – August 1994

Adams Middle School, GPISD, Grand Prairie, Texas

Worked with 6th through 8th grade students in a block schedule. Traveled among several classrooms, adjusted between three different course levels, and taught an innovated 6th grade curriculum mandated by the school district. Was asked and presented an in-service program for teachers within the school district.

MATH TEACHER

August 1992 – August 1993

Spring Oaks Middle School, SBISD, Spring Branch, Texas

Worked with 7th and 8th grade students in a block schedule. Worked with a team of math teachers to develop and implement a flexible curriculum in order to enhance academic performance among the student body.

REAL ESTATE APPRAISER

November 1991 – August 1992

Property Analyst Inc. / Property Appraisal Inc., Houston, Texas

Performed cost comparison analysis on residential properties. Researched and obtained information to determine fair market value, measured and sketched floor plans of residential homes, and solicited and maintained commercial accounts.
