Student Learning Outcomes

Upon successful completion of this course, students will:

1. Multiply and Divide Fractions
2. Add and Subtract Fractions
3. Add, Subtract, Multiply and Divide Signed Numbers
4. Simplify Algebraic Expressions
5. Solve Equations

Course Outline:

Whole number review
Meaning of fractions, comparing and rewriting
Adding and Subtracting Fractions
Multiplying and Dividing Fractions

Operations on Signed numbers
Algebraic Expressions
Solve Equations

Evaluation Procedures:

Calculating your grade:

Classwork and Assignments – 100%

Instructor Attendance Policy:

Students are expected to attend all classes. Students have the responsibility to attend class and to consult with the instructor when an absence occurs. If for some reason you must leave class early, you should inform the instructor prior to the start of class of your reason for leaving early.

Punctual attendance at every class is a necessity. If it is absolutely necessary for you to miss class, it is your responsibility to find out what you missed. In case of certified emergency (documents must be submitted to verify this), inform me and we will work out an alternative plan.

*Financial Aid **will not** be granted to students who have been certified as not attending by the certification date.

*Your physical participation in class, on or before the certification date, will allow you to receive credit for FA.

Students must begin attendance in all classes of enrollment. No exceptions. Financial Aid will not be granted to students who have been certified as not attending, by the certification date. For this lecture course, your physical participation in class, on or before the certification date will allow you to receive credit for FA purposes. For certification dates, check with the division or FAO for further information. Students, who are not certified as beginning class, are responsible for any payments due as a result of non-certification, to include the dropping of courses.

Grading Scale:

90% or above = A

80-89% = B

70-79% = C

60-69% = E

Less than 60% = F

Electronic Devices: Students may have a calculator in class. All other electronic devices should be put away unless prior arrangements have been made.

The withdraw date for this class is 04/12/18.

Academic Dishonesty:

Students that caught plagiarizing an assignment will be subject to an "F" in the course and possible expulsion from the college.

Academic honesty is expected, and integrity is valued in the Dallas County Community Colleges. Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion. As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. More information is available at <https://www1.dcccd.edu/catalog/ss/code.cfm>.
