## **Education**

El Centro College, Associate in Applied Sciences; Diagnostic Medical Sonography

## **Work & Teaching Experience**

Women's Health Alliance 06/2012- Present

OB-GYN Associates of North Dallas 11/2011- 05/2012

Methodist Dallas Hospital 12/2006 – 01/2014

Perform ultrasound examinations such as abdomen, abdominal Doppler (pre/post liver transplant evaluation), renal transplant, pelvic, transvaginal, obstetric, thyroid, scrotal, carotid, venous Doppler, segmental pressures, and arterial Doppler. I have assisted with procedures such as sonohysterography, renal and thyroid biopsies; assist with some operating room procedures. I also work with and help sonography students who rotate through the ultrasound department.

El Centro College 08/2010 – Present

Clinical Instructor for the Diagnostic Medical Sonography Program. Provide individual instruction in both hospital and lab settings. Help students in learning basic scanning skills, and provide guidance with patient, and physician interaction.

Garland ISD, Volunteer 08/2001- 05/2014

Volunteer responsibilities have included classroom assistance, tutoring, and chaperoning various school functions.
