

JENNIFER LAUGHLIN

412 Middle Cove Dr. Plano, TX 75023 | 361-894-5744 | jenniferstithem@yahoo.com

EDUCATION

2012	Masters of Education, Adult Education, Concentration Mathematics, <i>University of Houston - Victoria</i>
2010	Bachelors of Science, Mathematics, <i>University of Houston - Victoria</i>
2008	Associate of Science, Mathematics, <i>Victoria College</i>

TEACHING EXPERIENCE

2013-Present	Brookhaven College – Adjunct Faculty Temporary Full Time Academic years 2015-2017
2012-Present	Collin College – Adjunct Faculty Temporary Full Time Spring 2013
2011-2012	Tarrant County College – Adjunct Faculty
2007-2010	Victoria College – Teacher’s Assistant

TECHNOLOGICAL SKILLS

MyMathLab

- Create tests, assignments, and custom questions
- Use Learning Catalytics to assess students in real time during the lecture (participated in trainings in Fall 2014 and Spring 2016)

Blackboard

- Utilize Respondus Lockdown Browser and Monitoring for proctoring online tests (Participated in webinars in Fall 2015 and Fall 2016)

Microsoft Office

- Word – Test, and guided notes
- Excel – Gradebook, Roster, and Attendance
- PowerPoint – Guided Notes and In-Class Notes

YouTube

- Create and upload video lectures

COURSES TAUGHT

Pre-Algebra – lecture

Beginning Algebra – lecture

Intermediate Algebra – lecture and online

Foundations of Mathematical Reasoning – New Math Pathways active student learning (UT Austin’s Dana Center Curriculum)

College Algebra – lecture

Contemporary Mathematics (Quantitative Reasoning) – traditional format – lecture and online

Contemporary Mathematics (Quantitative Reasoning) – New Math Pathways active student learning (UT Austin’s Dana Center Curriculum)

College Algebra – lecture

Business Algebra – lecture

Linear Algebra (BUS/ECON) – lecture

Linear Algebra (STEM) – lecture

COLLEGE SERVICE

Brookhaven College

- Service to the Department
 - New Math Pathways Workgroup – Fall 2016 – Present
 - UT- Mathways Project (RCT) Grant – Pilot Instructor for Foundations of Mathematical Reasoning and Contemporary Mathematics (Quantitative Reasoning)
 - Scaling Grant – developing ways to implement New Math Pathways format and curriculum to the campus for Foundations of Mathematical Reasoning and Contemporary Mathematics (Quantitative Reasoning)
 - Math Workgroup – Fall 2015 – Present
 - 2015-2016 Contemporary Math (Quantitative Reasoning) advisor for SLO Assessment
 - 2015 – 2016 Course Artifact Creation Team
 - Contemporary Math (Quantitative Reasoning) 1332
 - Statistics 2442
 - 2014 – 2015 Course Resources Lead Instructor
 - Linear Algebra 2318 (BUS/ECON)
 - Linear Algebra 2418 (STEM)
- Service to the Division
 - STEM Accelerator Committee – Summer 2016 – Present (aimed at increasing the enrollment and success of students in computer science fields)
- Service to the College
 - Quality Enhancement Plan (QEP) – Reading: The App for Life – Fall 2014 – Present
 - Participated in the QEP Intensive team – Spring 2015

Collin College

- Textbook Search Committee – Fall 2014

PROFESSIONAL DEVELOPMENT

New Math Pathways

- UT Austin's Dana Center – May 2016
 - Quantitative Reasoning (MATH 1332)
 - Foundations of Mathematical Reasoning (DMAT 0308)

Learning Catalytics (Assessment tool that allows students to answer questions through their smart phones/tablets in a semi-anonymous format)

- Trained through UT Austin's Dana Center – Spring 2016
- Trained through Collin College – Spring 2014

Respondus Monitoring (Innovative online proctoring resource)

- Trained and implemented Respondus Lockdown Browser and Monitoring in all online classes – Fall 2015 – Present

PRESENTATIONS

Brookhaven College

- Quality Enhancement Plan - Reading: The App for Life
 - BREATHE employee training – January 2016
 - You want me to write it down? But the assignment just said to read it
 - Annotating and Note Taking skills
 - QEP Committee meeting – Fall 2015
 - Annotating Math Problems
- Math Workgroup
 - Math workgroup meeting – Fall 2015
 - Respondus Lockdown Browser and Monitoring
- New Math Pathways Workgroup
 - Learning Catalytics – Fall 2016

VOLUNTEER WORK

Texas Woodcarvers Guild

- Member since April 1999
 - Membership Director – May 2016–Present
 - Raffle Chair – April 2015–Present
 - Social Media Chair – April 2015–Present

North Texas Woodcarvers Guild

- Member since December 2010
 - Ambassador with Berkner High School Impact Club – November 2014–Present
 - Teach Beginning Woodcarving classes – October 2013–Present
 - Vice President – March 2013–March 2015
 - Newsletter Editor – October 2012–March 2015

Neighborhood Crime Watch – Clearview Neighborhood, Plano, TX

- Donation Coordinator – June 2016–Present
- Block Capitan – October 2014–Present
