

Albert M. Robert is a logistics industry professional of 20 years. Focusing on transportation's role in the supply chain, his cross-functional expertise includes new product launches, customer fulfillment, vendor management, mode optimization, and contract negotiation. In the past, he has consulted on procurement and distribution projects across many industries and including company members of the Fortune 500.

In addition to his professional experience, he holds a Bachelor's of Business Administration degree from the University of Texas at Austin and a Master's of Business Administration with a specialization in International Trade from Texas A&M International University. He is also a member of the National Defense Transportation Association, and the Council of Supply Chain Management Professionals.
