COURSE SYLLABUS
A+ Introduction to PC Operating System

ITSC 1405-71250
Fall 2018

ARTS, BUSINESS, SPORTS SCIENCE, AND TECHNOLOGY DIVISION
Office Hours: 8:00 a.m. – 6:00 p.m. Monday-Thursday
8:00 a.m. - 4:30 p.m. Friday
Location: T135, Telephone: 972-273-3450

Instructor Information:
Name: James Forbess
Email: JHForbess@dcccd.edu
Phone: 972-273-3450 (Division number to leave messages)
Room: T216
College: North Lake College

Course Information:
Course title: A+ Practical Application
Course number: ITSC 1405 71250
Credit hours: 4
Class meeting time: Saturday 9:00am – 5:00pm
The last day to withdraw from this class is 10/6/18
The last day of class is 10/20/18
Please read “Stop before you Drop”, and “Drop Policy” under Institutional Policies.

Course description:
Introduction to personal computer operating systems including installation, configuration, file management, memory and storage management, control of peripheral devices, and use of utilities.

Course prerequisites:
Suggested Prerequisite: Introduction to Computers
Proficiency using a computer and the Windows interface to locate, create, and manipulate files, folders, and to configure the desktop environment. One should have a general knowledge of the Internet. This course will require you to have knowledge of finding, downloading and installing programs from the Internet.
Working knowledge of software and hardware in PCs or demonstrated competency approved by the instructor.

This course syllabus is intended as a set of guidelines for (ITSC 1405). Both North Lake College and your instructor reserve the right to make modifications in content, schedule, and requirements as necessary to
# Course Objectives:

The purpose of this course is to provide knowledge for success in industry and preparation for the COMPTIA A+ exam number 220-902. The A+ Practical Application exam (220-902) covers details on installing and troubleshooting hardware and configuring devices for use by the operating system.

## Specific Course Learning Outcomes:

2018SU-ITSC-1405-75426

WORKPLACE SKILLS

1. Work ethics.
2. Implement responsibilities of job position including exhibition of dependability, demonstrating high confidentiality, and meeting of organizationally defined expectations.
3. Operate within scope of authority adhering to company rules, regulations, and policies as established including interpretation of employer/employee handbook and procedures.
5. Practice time management and follow work schedule.
6. Assume responsibility for own decisions and actions.
7. Exhibit pride and positive attitude.
8. Display initiative and enthusiasm in undertaking new tasks.
9. Show assertiveness appropriate to the situation.
10. Seek work challenges.
11. Understand and apply ethical principles to decision-making.
12. Understand the importance of providing good customer service (internal and external).
13. Exhibit ability to handle stress.
14. Participate in meetings in a positive and constructive manner.
15. Maintain state-of-the-art skills through participation in in-service or other training.
17. Interpersonal relationships.
18. Respect individual diversity.
19. Respond to praise or criticism.
20. Provide constructive criticism or praise.
21. Channel and control emotional reactions.
22. Resolve conflicts.
23. Display a positive attitude.
25. Employ appropriate skills for gathering and retaining information.
26. Interpret written, graphic, and oral instructions.
27. Identify problems.
28. Clarify individual and company purposes and goals.
29. Identify available solutions and their impact including evaluation of credibility of information, and location of information.
30. Evaluate options.
31. Set priorities.
32. Select/implement options/decisions including prediction of results of proposed action.
33. Organize personal workloads.
34. Participate in brainstorming sessions to generate new ideas and solve problems.

This course syllabus is intended as a set of guidelines for (ITSC 1405). Both North Lake College and your instructor reserve the right to make modifications in content, schedule, and requirements as necessary to promote the best education possible within prevailing conditions affecting this course.

Course Outline and Evaluation Procedures:
Your evaluation will be determined by completing the following weekly assignments to include the quizzes and tests. Assignments are due on the week they are assigned.

<table>
<thead>
<tr>
<th>Week</th>
<th>Reading Assignment (Due prior to class)</th>
<th>Classroom activity &amp; Weekly Assignment</th>
</tr>
</thead>
</table>
| Week #1    | Chapter 1 - Survey of Windows Features and Support Tools  
Chapter 2 - Installing Windows                                                                                 | Chapter 1 & 2 Labs and Quizzes                        |
| Week #2    | Chapter 3 - Maintaining Windows  
Chapter 4 – Optimizing Windows                                                                             | Chapter 3 & 4 Labs and Quizzes                        |
| Week #3    | Chapter 5 – Supporting Customers & Troubleshooting Windows  
Chapter 6 – Troubleshooting Windows Startup                                                                  | Chapter 5 & 6 Labs and Quizzes                        |
| Week #4    | Mid-Term Review                                                                                          | Mid-Term Exam                                          |
| Week #5    | Chapter 7- Connecting to and Setting Up a Network                                                        | Chapter 7 Labs & Quizzes                              |
| Week #6    | Chapter 8 – Supporting Mobile Operating Systems  
Chapter 9 – Windows Resources on a Network                                                                     | Chapter 8 & 9 Labs and Quizzes                        |
| Week #7    | Chapter 10- Security Strategies  
Chapter 11- Virtualization, Linux, and Mac OS X                                                              | Chapter 10 & 11 Labs & Quizzes                        |
| Week #8    | Review Course Material                                                                                   | Review & Final Exam                                    |

Means of Assessment of Course Learning Outcomes:

1. You will be required to complete quizzes for each assigned Chapter. It is extremely important that you read each assigned Chapter prior to class.

2. Class participation and Lab Assignments: A portion of your grade will be based on class participation and completion of the Lab Assignment for each class. You will be expected to leave the computer in the same condition as you found it. If the computer is not working when you leave the class and if you fail to notify the instructor, you will receive a 0 for the day.

3. This course will also have a Midterm, and a Final Exam to ascertain your retention of course content.

This course syllabus is intended as a set of guidelines for (ITSC 1405). Both North Lake College and your instructor reserve the right to make modifications in content, schedule, and requirements as necessary to promote the best education possible within prevailing conditions affecting this course.
Grading Scale

Your understanding of the course material and your grade will be determined as follows:

<table>
<thead>
<tr>
<th>Assignments</th>
<th>Percent of Total Grade</th>
<th>Grading Scale</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quizzes</td>
<td>25%</td>
<td>90 – 100 = A</td>
</tr>
<tr>
<td>Lab/Class Participation</td>
<td>25%</td>
<td>80 – 89 = B</td>
</tr>
<tr>
<td>Midterm Exam</td>
<td>20%</td>
<td>70 – 79 = C</td>
</tr>
<tr>
<td>Final Exam</td>
<td>30%</td>
<td>60 – 69 = D</td>
</tr>
<tr>
<td>Total</td>
<td>100%</td>
<td>&lt; 60 = F</td>
</tr>
</tbody>
</table>

Discipline/ Course/ Department/Policies:

Attendance:
Your instructor will be present only during your scheduled class time. Class attendance is critical. Completion of all assignments is critical. Please be careful not to fall behind in your assignments. It will be very difficult to grasp all the material if this happens. You are required to complete all assignments, quizzes, midterm, and final exam to successfully complete this course.

The last day to withdraw from this class is 10/6/18
The last day of class is 10/20/18

Withdrawing from a course is a formal procedure which YOU must initiate. For information about withdrawal procedures, go to the Admissions Office, Room A419, or call 972-273-3101. Please see your instructor prior to withdrawing from a course.

The above drop date pertains to Credit students. CE students will find their information regarding drop dates on page # 2 of the CE Schedule or may call 972-273-3360.
NORTH LAKE COLLEGE
5001 N. MacArthur Blvd.
Irving, Texas 75038-3899
DALLAS COUNTY COMMUNITY COLLEGE DISTRICT

Friday-Saturday: 8:30 a.m.-3:30 p.m.
No tests will be issued after 2:30 p.m. Other cut-off times may be in effect for specific exams by the instructor’s direction. All exams collected at 3:30 p.m.

Sunday – CLOSED

If your instructor requires you to complete an exam in the Testing Center, be sure to have the following information when you request you test:

1. Instructor’s name
2. Subject, course number, and section number (ex: Speech 1311.7011)
3. Exam number (1st, 2nd, 3rd, etc.)
4. Exam deadline (Get this information from your instructor. The testing staff cannot look up this information on computers).

You should also bring the following supplies:

1. Pencil
2. Scantron answer sheet
3. A Test Request Form must be completed before entering the Testing Center.
5. Government or school issued photo identification is required & enforced.

You may not bring personal items into the Testing Center. This includes bags, cell phones, and pagers. Please show courteous and cooperative behavior while using the services provided by the Testing Center.

DO NOT bring children to the Testing Center. You must make arrangements for the care of your children prior to your exam date. The police department will be notified of any unattended children.

DO NOT take any testing materials with you when you leave the Testing Center. This includes the test, answers, charts, scratch paper. These items will be attached to your test.

Questions? Please visit the Testing Center (A 425) or call 972-273-3160.

This course syllabus is intended as a set of guidelines for (ITSC 1405). Both North Lake College and your instructor reserve the right to make modifications in content, schedule, and requirements as necessary to promote the best education possible within prevailing conditions affecting this course.
