Objective

Registered Nurse

Qualification Summary:

Trauma and Vascular Surgery Unit-7EH

7 East Hospital is a 48 bed adult trauma unit that cares for the most complex trauma cases from Washington, Alaska, Montana, Idaho states

Registered Nurse at Harborview Medical Center with responsibilities that includes applying safe effective evidence-based patient care tailored to the individual needs of the patient and family.

Charge Nurse: Duties include schedule preparations, assignment delegation, ensuring that both patients and staff members are safe.

Participates in provision of advanced training and professional development of staff

I routinely participate in provision of basic unit in-service/education program specific to patient population at our unit

As a critical care member of the patient care delivery team, I work with the team to facilitate the coordination of patient care at the unit level utilizing the principles of primary nursing.
