Missouri State University, Springfield, MO

B.A. in Music

### **Teaching Experience**

Discover Music, Springfield, MO - June 2014 – July 2016

Owner/Operator

Taught private and group piano lessons to students of all ages including adult students. Performed all daily business operations including website maintenance.

Ozarks Technical Community College – January 2010 – June 2014

Lead Music Instructor

Developed additional courses and performance opportunities. Created an articulation agreement with Missouri State University allowing nearly all courses to be accepted as equal credit transfer courses. Advised all music students as well as required students. Facilitated all live performances from open mic nights, to Commencement performances.

Ozarks Technical Community College, Springfield, MO– August 2007 – December 2009

Music Instructor

Created the music department, building from one course offering to over thirty course offerings. Developed course abstracts, syllabi and overall course structure. Recruited students, advised music majors, and administered all grades.

Ozarks Technical Community College, Springfield, MO – January 2001 – May 2007

Adjunct Music Instructor

Taught Music of the World seated and online per course.
