

NATASHA STRACENER

Natashastracener@dcccd.edu

EDUCATION

DECEMBER 2016

Master of Science: Biology of Medical Science

Mississippi College, Clinton, MS

- Dean's List Fall 2015, Spring 2016, Fall 2016

MAY 2013

Bachelor of Arts: Biology

University of Mississippi, Oxford, MS

- Dean's Honor Roll Spring 2011

MAY 2009

Southaven High School, Southaven, MS

TEACHING EXPERIENCE

AUGUST 2018-PRESENT

Adjunct Biology Professor/ Lab Instructor | Mountain View College | Dallas, TX

- Professor and lab instructor for BIOL-1406, BIOL-1407, BIOL-1409
- Post online lectures, grade assignments, update grades, lead lab experiments and supervise students

AUGUST 2011-DECEMBER 2011, AUGUST 2012-DECEMBER 2012

Teaching Assistant | University of Mississippi Biology Department | Oxford, MS

- Enforced lecture material, led weekly lab experiments, graded lab work, frequently updated grades, proctored exams

RESEARCH EXPERIENCE

FALL 2016

Department of Biomedical Science, Mississippi College

- Assistant to Dr. Erik Bourassa
- Participated in a study hoping to exhibit antibiotic resistance of bacteria upon exposure to Triclosan. Worked frequently with Microsoft Excel, autoclaves, pipetted solutions, and produced agar and broth, as well as learning aseptic techniques.

SPRING 2013

Department of Biology, University of Mississippi

- Assistant to Dr. Clifford Ochs
- Counted and compared bacteria cultures from multiple river sources.
Frequently used Microsoft Excel and Word and microscopes.
